Sporting Achievement

This term has been one of incredible sporting success for the teams representing White Woman Lane. We achieved our best ever Korfball results and also have had our most successful football team for many years! Congratulations to all the children who participated across all the different sports and represented the school so brilliantly.

Thank you for your support

A big thank you to everyone that participated and contributed to the 2016 Sport Relief Mile. It was run with great enthusiasm by all, some students even ran the mile three times! Many pupils finished the mile asking if they could then come to cross country training even though they don't belong to a school club. The answer is of course yes! Cross country training is on a Wednesday lunchtime at 12.35pm and is open to all. I am very pleased that the mile has inspired pupils to take up running! Our grand total raised was £157.55.

£100 raised for Sport Relief by pupil in 3B

Congratulations to Evie Craven in 3B who raised over £100 for sport relief completing the Sainsbury's mile walk at UEA Sportspark on Sunday 20th March. Evie completed the walk together with her Mum, Dad and 6 year old sister.

EASTER EGG RAFFLE

A total of £345.00 was raised by the Easter Egg raffle.

Many thanks for all your support.

Year 5 Korfball Report

On the 21st of March WWLS took a team from year 5 to the UEA korfball finals. On the team was: Jude Frostick, Alex Edwards, Ehren Towers, Hayden Thompson, Finley Cocking, Evie Dickerson, Breana Rudd, Eleanor Waggstaff, Tabitha Tobias and Lauren Hailes.

Our first match was against St William's who beat us last time. We started well passing the ball getting lots of opportunities when suddenly someone from St William's gave a penalty away to us!

Alex took the penalty but missed then Breana was there to take the rebound shot... and scored making it 1-0 to WWL. Then St Williams scored an amazing goal from about 5 meters out! We swapped ends and we were given another penalty, Lauren took this and scored. Then St Williams scored again which made it 2-2! The final whistle went and it was 2-2!

Thank you Mrs Pellet for driving us and Mrs Williams for training us.
Well done team!

Lauren Hailes

Our school trip to Bewilderwood

On Tuesday 22nd March, Year 3 went to Bewilderwood! When we got there we went to the Scaaaary Lake and Mildred squirted a lot. When we got off at the other side of the lake we met another school, but we didn't chat for long. Soon, we were on a roll to put away our bags and coats. It was very hot so we didn't wear our coats. After, we went on the slippery slopes. It was very scary at the top, but we did it. I put my feet in a sack and counted to three "1, 2, 3" and away I was! Boy did I

scream! We flew away and were on the Broken Bridge! Don't worry, it's not really broken! Trit trot! Zip wires, here we come! We were zipping and zooming. A few minutes passed, and we all went for lunch. Then, we were off again! Whoa, whoa, be careful! We were in the Sky Maze. Will we ever find our way out? We finally found our way out and we headed over to the den building. We were building and decorating. We took a picture 'click' and we were away again to the Tricky Tunnels. Wow they were tricky! Finally, it was time to go. 90 tired children and 16 tired adults! 10/10! It was the best day ever!!

Evie Craven, 3B

On Tuesday 22nd March 2016, Year 3 went on a school trip to Bewilderwood. After we got off the coach, we checked in and then in our groups we all went to different things. Our group did the zip wires first. After that, we did the Sky Maze (we got lost)! Then, we did the amazing broken bridge. Time wore on, and we got hungry so we stopped for some lunch. After lunch, we got lost in the Muddle Maze. Next, we went in the tunnels. Finally, we got on the boat and then on the coach. I rate Bewilderwood 10,000 out of 10,000! What an amazing day we had!

Daisy Gilbert, 3C

On Tuesday, Year 3 went to Bewilderwood and had a fab time. First, my group went on the zip wires and we raced against each other. It was fun! Next, we went to Sky Maze. The whistle blew and I found my way out first because I came down steps and found the exit. After that, we went den building. We made one for the twiggles and it looked awesome! Then, we went to the slides and they were super fast and scary! Then, it was time for some lunch! After lunch, we went to the Muddle Maze. It was very hard! We then headed off to the Broken Bridge and the slide was really big! We went to the tunnels and that was awesome! Then, we went to dance on stage. It was funny. Finally, we went on the boat and it was very peaceful. It was time to go home after a very exciting day. It was the best day ever!

Year 4 Residential Visit to How Hill

We had a great time at How Hill! We enjoyed so many things whilst we were there.

One of the best things we did was dyke dipping. We really enjoyed catching creepy crawlies and getting muddy also we looked at new creatures.

We also enjoyed going on a boat down the river Ant all the way to Barton Broad. On the way we did some bird watching.

We all enjoyed the thatching and once we did it the How Hill staff threw freezing cold water on the thatching to check it was water proof and some people got soaked.

On the morning of the last day we had a teddy competition and Dylan won with his really cute brown and white teddy.

In summary, we all had a great time. The rooms were amazing, the food was spectacular and we had loads of fun!

It was our best trip so far and we wish we could go back...but we can't!
