## VOCABULARY NINJA!

Vocabulary is extremely important. It allows children to be able to make themselves understood, to understand others and to understand things that they read or hear.

Please ask your children about these words. Can they explain what they mean or use them in a sentence?

Thank you for your support in helping your child.

# TALK HOMEWORK

Each week we send a Talk Homework activity home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the question below;

## **New Year's Resolutions**

The New Year has begun. This is the time to think about your resolutions for this year.

- What are your New Year's resolutions?
