YEAR 6 TEST WEEK

You are no doubt aware that Year 6 children will be sitting end of year tests in English and Maths in the week commencing 13th May. We can confidently state that all pupils are fully prepared and shouldn't find the experience too stressful. The following points are for your consideration:

- Attendance at all tests is crucial; your child cannot get a subject level if s/he misses part of it.
- All tests are in the morning, so a good night's sleep and a sustaining breakfast are also very important. Please encourage your child to eat plenty of breakfast and drink lots of fluids so his or her brain is well nourished and is ready to think and work.

The timetable below illustrates the day, time and duration of the test papers during the week commencing 13th May. The children and staff have worked hard, the children are prepared and have seen their skills and abilities improve throughout the year. All we ask of them is that they do their best – nobody can ask for more than that! Good luck everyone!

End of KS2 Tests will be held in the week beginning 13th May 2019. The tests will follow this timetable:

Date	
Monday 13th May	Grammar Punctuation and Spelling Paper 1: English Grammar and Punctuation test Paper 2: Spelling test
Tuesday 14th May	Reading Test
Wednesday 15th May	Mathematics Paper 1: Arithmetic Mathematics Paper 2: Reasoning
Thursday 16th May	Mathematics Paper 3: Reasoning

BREAKFAST CLUB – MONDAY 13th – THURSDAY 16th MAY

YEAR 6 PUPILS ONLY

Year 6 pupils are invited to attend our breakfast club sessions in preparation for their tests. Breakfast will start at 8.20 until 8.40am. The pupils will have the opportunity to discuss any concerns they may have during this time and enjoy being with their friends as they prepare for the day. There is no cost involved – the breakfast is free!

TOP TIPS FOR TESTS OR SURVIVAL STRATEGIES FOR TESTS

- **Sleeeeeeeeeeeeeeeeeeeeeeeep!**

Going to bed late makes you dozy. Dozy pupils find tests extra difficult because they keep nodding off—and the snoring is very irritating for other pupils! For the week or two before your SATs, go to bed **BEFORE YOUR PARENTS!!!**

- **Eat!**

Everyone thought Granny was daft when she said some foods were good for the brain. Well, don't tell anyone, but she was right. (Shhhh!)

Breakfast is especially good for the brain - cereal and a banana won't need much chewing - go on, you can do it!

- **Fresh air!**

If you are allowed to walk to school, do it. Go out at playtime and have a run around.

Silly fact: Filling your brain with air makes it work better!

- **Water.**

You know what happens to a pot plant when it's not watered, don't you? Well, if you don't keep your liquid levels up, you will get all floppy and limp too! Get into the habit of sipping water throughout the day. Water helps to keep you alert and bright. But ... don't wait until SATs week to start drinking more water as your body will not be used to it and . . . well . . . let's just say you'll know the route to the school (o like the back of your hand!

Help hedgehogs (and the environment)

We are now collecting empty crisp packets and washed out pet food pouches to raise money for Hodmedod's Hedgehog Support. There is a designated green, wheelie bin in the school courtyard which is clearly labelled for these items.

This 'rubbish' will be sent to Terracycle for recycling and the credits received will be converted into cash to help support hedgehog rescuers with much needed equipment, medication and food.

Hallswood Animal Sanctuary's hogspital in Stratton Strawless

Hedgehog Haven's hogspital in North Walsham

Hodmedod's Hedgehog Support helped fund the two hogspitals shown above as well as helping many other rescue centres throughout Norfolk. It also continues to raise awareness of the plight of our hedgehogs which are in serious decline.
