Children's University Graduation

Thirty four children from Y3 & Y4 attended a Norfolk Children's University Graduation ceremony at the Garage. For many it was their first ever graduation collecting Bronze Award certificates for achieving 30 hours of extra-curricular learning. Congratulations to all pupils who have worked so hard to get credits for their passports. A special well done to James Butler, who collected his Silver Degree for 365 hours of extra learning and to Nathaniel Peck, who has collected 310 hours for his Gold Diploma.

The children were put through their paces in a street dance workshop with Bryony from Slanted Dance (a learning destination) and then performed to the parents and teachers. They were really lucky to meet Isabelle King, a local children's author. Best of all there was hat throwing for photos at the end.

Our next graduation will be held at the end of term and take place at White Woman Lane. Remember as well as there being hundreds of learning destinations in Norfolk and further afield where children can get stamps <https://www.norfolk.gov.uk/out-and-about-in-norfolk/activities-for-children-and-young-people/childrens-university/learning-destinations> , ALL WWL clubs, music lessons, sports, performances, residential trips etc. count towards the certificates. Please hand in your passports as soon as possible so Mrs Woodhouse can update her records. Passports can be purchased from the school office at the subsidised cost of £1 and can gain you FREE entry into all 10 Norfolk Museum Service properties (Castle Museum, Bridewell, Gressenhall etc).
