## SUN SAFETY

The sun is out! Please ensure that your child has a water bottle at school each day during the warmer weather so that your child can have regular drinks of water throughout the day to keep cool and hydrated. Also, try and get your child into the 'Hat Habit' - a broad brimmed hat on children is best, even better is a hat which also has a flap down the back.

## Active Kids Vouchers

Rally the community, every voucher counts

Active Kids vouchers can no longer be collected from Sainsbury's, BUT they can still be donated to our School until 30 June. Remember, every voucher counts towards brand new sports equipment, and experiences.

Get the kids to look in the car, on the fridge, under the sofa and in every old shopping bag for any missing vouchers!  
A collection box is situated in the reception area. For more information please see:  
[activekids.sainsburys.co.uk](http://activekids.sainsburys.co.uk)

## NON-UNIFORM DAY FRIDAY 7<sup>TH</sup> JULY

All children may attend school in non- uniform on Friday 7<sup>th</sup> July  
**But a fine will need to be paid!**

Pupils in Years 5 and 6 will be required to donate a bottle for the Bottle Stall Tombola at the Summer BBQ as a fine and pupils in Years 3 and 4 are asked for donations for the general Tombola Stall. If you would like to make donations in addition to the fine payable for not wearing school uniform we would be extremely grateful.

# TALK HOMEWORK & 'WOW' WORDS

Each week we send a Talk Homework activity and 'Wow' Words home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

## School in Hot Weather

The weather has been very hot recently and the likelihood is that there will be further spells of hot weather before the end of the summer term.

- Why is it important to take precautions when playing in the sun?
- What are the best ways to protect yourself from the sun?
- Why is important to drink plenty of water in hot weather?
- Think of ways you can keep out of the sun on very hot days when playing outside
- What could happen if you did not take any precautions?

*In Big Talk, we use 'WOW' Words to improve our vocabulary and 'big up' our sentences to make them more interesting  
Our 'WOW' Word this week is;*

### **Protection**

*(shelter, safety, security, refuge, screen)*

*Please encourage your child to use this word, in the right context, as much as possible.*

Thank you for your support in helping your child.

# Animal Agents this summer at your local Norfolk Library

During the summer of 2016 over 13,000 children participated in the Great Big Read Summer Reading Challenge. 54% were inspired to read 6 books and were rewarded with a medal and a certificate. In 2017 Norfolk Libraries are aiming to encourage even more children to complete the **Animal Agents Summer Reading Challenge**, having fun with books and keeping up their reading.

For the 2017 challenge there's something peculiar happening at the local library – and that's where the Animal Agents come in! It's a detective agency manned by all kinds of clever animals – furry, scaly and slippery – and these guys are out to crack the case with a little help from their friends.

From solving the case of the graffiti writing to the strange case of a missing lunch, children will join in the fun with the Animal Agents by reading along. As children read library books on the Summer Reading Challenge, they will receive a host of stickers, some with mysterious smells. By collecting the stickers on their collector folder, young readers will help the Animal Agents find out what's really been going on behind the scenes and who is to blame!

Children can visit any Norfolk Library or mobile library during the summer to start the adventure. Animal Agents is a must for all eagle-eyed children and will test their skills and ingenuity along the way. But with the Agents on their side, solving these mysteries comes with a large helping of fun!

With a challenge for pre-school children and summer events there is something for all the family at your library this summer.
