Thursday 18th July
 Wednesday 24th July

Children's University Graduation
 Last day of school year

HOUSE POINT TOTALS!

Buckingham	(Green)	Total points-	71
Balmoral	(Blue)	Total points-	47
Sandringham	(Yellow)	Total points-	73
Windsor	(Red)	Total points-	86

Following a great sports day we would like to congratulate all our houses this week! Well done everyone!

THE ATTENDANCE CUP

Was awarded to
 3C
 With attendance of 98.33%
 For the week
 24th - 28th June 2019

GOLDEN BOOK AWARD

Congratulations to the following pupils for providing us with 'WOW' moments and for being entered into our Golden Book;

The Goblin Car Team (Harry Parker, Dylan Hall, Justin Wilson, Katie Youngman, Abi Clarke and Emily Birch), The yr 6 Maths Quiz Team (Kingsley Millins, Romy Darby, Sam Yau and Katy Youngman), Ellie Croydon, Oscar Rivers, Eloise Woodcock and Alfie Cresswell.

THE WWL FRIENDS SUMMER BBQ AND SPORTS DAY

Huge thanks to everyone who supported these events. Both were a great success and enjoyed by all. Together we raised an amazing...
£2820.51

Enormous thanks to the Friends Of White Woman Lane School who, yet again, put an enormous amount of time effort and energy into organising a wonderful end of year event! These things would simply not happen without you.

Special thanks also go to two of our year 4 pupils who did a sterling jobs of running their stall all evening.

Thank you ...Scarlett Brooker and Phoebe Carey

'Buddy Bench' which was revealed at the school BBQ

We would like to express our thanks to Dianne Coulton, Grandmother of Riley Coulton, who left our school earlier this term. As a thank you to the school the family purchased a

Warmer Weather

We would like to remind you, as the warmer weather has finally arrived, to ensure that your child comes to school equipped with a sun hat, sun cream and a full, refillable bottle of drinking water.

SCHOOL BOOKS!

All school books must now be returned in time for the end of the school year.

A number of children are reporting that they have lost/misplaced their books.

We have invested a considerable amount of money into the books available in school and it is important that these books are looked after and returned for the future enjoyment of all the pupils. We therefore politely request that you have a good look under sofas, behind shelves and in all those sneaky places books slip into!!

Many thanks for your co-operation.

Help hedgehogs (and the environment)

We are now collecting empty crisp packets and washed out pet food pouches to raise money for Hodmedod's Hedgehog Support. There is a designated green, wheelie bin in the school courtyard which is clearly labelled for these items.

This 'rubbish' will be sent to Terracycle for recycling and the credits received will be converted into cash to help support hedgehog rescuers with much needed equipment, medication and food.

Hallswood Animal Sanctuary's hogspital in Stratton Strawless

Hedgehog Haven's hogspital in North Walsham

Hodmedod's Hedgehog Support helped fund the two hogspitals shown above as well as helping many other rescue centres throughout Norfolk. It also continues to raise awareness of the plight of our hedgehogs which are in serious decline.

For more information:

Year 3 Summer Korfball Tournament!!

The Year 3 team was Tyrell, Ryan, Alfie, Tyler, Alexis, Myah, Miah and Khloe.

Our second match was excellent because we won 9-0 which was amazing and phenomenal! However, it's not all about winning but about taking part. The results of the matches are:

WWL v Horsford 3-0 Tyler, Tyrell 2

St Faiths v WWL 0-9 Alfie 2, Tyrell 3, Khloe 2, Myah, Alexis

Sprowston B v WWL 1-1 Tyrell

Old Catton v WWL 2-3 Tyrell 2, Alexis

WWL v Sprowston A 0-5

WWL Sprowston C 0-3

This is our best tournament so far as we had more matches than normal. We came 3rd overall and we were really proud with ourselves and very happy (and Mrs Woodhouse was too!)

By Miah, Khloe, Ryan, Tyrell and Tyler.

Year 4 Korfball Summer Tournament

On Thursday 20th of June the Year 4 korfball team went to Hewett Academy. The results of our matches were:

- Avenue B v WWL 2-2 Jackson, Evie
- WWL v Sprowston A 1-7 Patryk
- Sprowston C v WWL 0-3 Patryk 2, Alesha
- Ave A v WWL 1-1 Yasmina
- WWL v Sprowston B 2-1 Patryk 2

The semi final

The semi final was hard but we tried our best and played brilliantly. The game went to penalties – our shots were close but we lost 1-0. We improved a lot from year three and luckily, we came 3rd place. We had a few injuries along the way but we succeeded, and we were happy at the end, all of us. We won most of the games but the hardest we faced were against Sprowston A team because **THEY TRAIN MORE THAN US AND WERE TALLER THAN US :c (sad times)** We enjoyed all of it - thanks to Mrs Williams, thank you sooooo much and well done to all the other teams, teachers and our team mates - Patryk, Oscar, Jackson, Alesha, Lucy, Evie and Yasmina.

By EVIE, LUCY AND YASMINA.

STARS OF THE WEEK

Coral Parker, Freddie Godfrey & Lily Maynard 3S

For showing real bravery and conquering their fears on the terrifyingly steep Slippery Slopes at BeWILDerwood. These children all challenged themselves to do something truly scary. Fabulous work and well done

Nasos Markopoulos 3ST

For showing a superb attitude throughout Sports Day. He put 100% into his races and cheered on others too. Well done, Nasos!

Isla Tibbs 3ST

For consistently being an excellent role model to others. Keep it up, Isla!

Trixie-Belle Brickley 4C

For trying hard in all her lessons, and challenging herself in maths this week. Well done Trixie!

Joel Crane 4C

For listening well to other's opinions and for a great final piece of writing in literacy. Well done Joel!

Izzy Savage 5D

For displaying some great scientific reasoning during our most recent science experiments.

Jamie Goreham 5D

For his great conscientious attitude towards his work

Daisy Davis-Murphy 5R

For her consistent high standards of behaviour, effort and attention to detail in her work. An exemplary attitude DDM!

Leo Jones 5R

For being Leo - I can't put it any more clearer than that!

Ava Whiteley-Bolton 5R

For achieving a superb expected level in her end of year reading test - Ava has never given up and look what results she gets?

Jenson Elvidge 5R

For achieving a solid expected level in his end of year reading test - so great to see you fulfil your great potential!

Blake Appleby 5QR

For having a really mature attitude and asking sensible questions in SRE

Logan Newman 5QR

For having a really mature attitude and asking sensible questions in SRE

Gracie Britcher 6H

For always sharing fantastic contributions in lessons!

Oliver O'Malley 6H

For always sharing fantastic contributions in lessons!

All of 6H

for creating a superb carnival dance sequence and performing it through the form of a video clip to the whole school.

Bake Sale

On Friday the 19th of July 2019 we are going to be holding a bake sale. It will be outside the D.T area at break time. The prices will range from 20p - £1. The money that is raised will go towards creating a quiet area outside Mr Gibson's classroom. If you would like to donate any cakes or biscuits please bring them to 4P on the morning of Friday the 19th.

THANK YOU

to everyone at

White Woman Lane Junior School

for raising an amazing

£764.58

for Red Nose Day 2019

You're the
cat's whiskers!

Summer Challenges

In these half term challenges we will be focusing on the environment and climate change!

Create a video to send to us explaining:
What climate change is
How It is caused
What can we do to change/help
What are the benefits of making changes
(1 credit)

Make a solar oven
<https://www.digitalmomblog.com/solar-oven/>
(1 credit)

Try your hand at being a seamstress, recycle an old piece of clothing to make something new. How about a tshirt bag?
<https://www.instructables.com/id/No-Sew-10-Minute-T-Shirt-Tote/> or a jean cushion
<https://www.wikihow.com/Make-a-Pillow-out-of-Jeans>
(1 credit)

Make a poster to display at home of all the things your family can do to help the planet (recycle, turn taps off when brushing teeth, grow your own veg) put a fact against each item to explain the benefits i.e. "by turning the tap off whilst brushing your teeth you could save 200 gallons of water per month"
(1 credit)

**Visit a new learning destination within walking/cycling distance and travel by foot or bike. Using a car to travel short distances is not very economical on fuel and impacts on climate change which makes no sense when you can travel by alternative methods.
(1 credit)**

**Go an entire 24 hours without the use of technology (this includes TV, mobile phones, laptops, tablets etc) and write about the differences you noticed in your day. How did this impact on your day? Was it a positive or negative experience?
(2 credits)**

With all the changes in our climate it is more important than ever that we help our wildlife. Let's help butterflies and bees this summer by making your own seed paper and giving it to friends and family to encourage them to plant flowers/ veg in their garden.

**<https://www.thesprucecrafts.com/how-to-make-seed-paper-2905562>
(1 credit)**

The average person's carbon footprint is about 10 tonnes, which is equivalent to filling 24 million balloons with carbon. If we all ate locally sourced food we could reduce our carbon footprint by 13% which would be 20 million 880 thousand balloons which is still a lot but is a huge difference. In America they have "National Eat Local Day" on September 22nd. We think this is a wonderful idea so in recognition of this, we would like you to "Eat Local" at least one day this summer to support local businesses and to reduce your carbon footprint. This could mean buying from a local farm shop or eating at a local independent restaurant. We want you to then tell us about what you did by sharing a photo and review on our Facebook page or via email.
