READING PROJECT

Roald Dahl Reading Week

Monday 17th October – Friday 21st October 2016

We have many exciting things planned to promote reading during this project.

Leading up to reading week each year group will have a focus text by Roald Dahl read to them in their classes during guided reading.

Year 3 and 4: BFG

Year 5 and 6: Boy- tales of childhood

During the week:

1. Lessons including Guided Reading, Drama, Art and PSHE for example, will use **the books** as their focus
2. Talk Homework activities will be based on **Roald Dahl**
3. **Tuesday 18th October** will be the visit to the Cinema to enjoy the film BFG (one of Roald Dahl's most popular stories)

Taking part in these Reading Projects have clear outcomes for the children;

1. Improved progress in Communication, Language and Literacy
2. Positive attitudes to learning
3. Raised self-esteem and confidence
4. Enthusiasm for reading and books
5. Establish book/author preferences

The Organisation for Economic Co-operation and Development has published research which showed that reading books as a family had the greatest impact on academic performance; this includes improvement in reading achievement, language comprehension, expressive language, interest and attitudes to reading and attentiveness in the classroom. I do hope you will enjoy reading any Roald Dahl books you have at home with your children. Thank you in advance for your support.

C.S.I Day

On Monday, a terrible crime was committed at WWL: the Ipads were stolen!

Luckily, we had some CSI forensic experts in who worked with the children to investigate the crime and gather evidence...

The children took part in a number of activities including forensic dentistry, thumb casting, fingerprinting and photo fit creation in order to narrow down the list of suspects. It turned out the criminal was....Mr Sidy! After realising the error of his ways he has returned the Ipads and apologised. Case closed!

TALK HOMEWORK & 'WOW' WORDS

Each week we send a Talk Homework activity and 'Wow' Words home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

CSI – Science Day!

What new things did you find out about? How do Police try to catch criminals? What clues give away who is guilty of the crime? Do you think this is fair and always catches the guilty person? What could go wrong? Teach your families at home all about our Science Day and WOW them with your knowledge.

*In Big Talk, we use 'WOW' Words to improve our vocabulary and 'big up' our sentences to make them more interesting
Our 'WOW' Word this week is;*

Justice

(fairness, justness, fair play, fair-mindedness, equity, equitableness, even-handedness, impartialness, lack of bias, objectivity, neutrality,)

*Please encourage your child to use this word,
in the right context, as much as possible.*

Thank you for your support in helping your child.

**Friends of White Woman Lane – AGM
Monday 10th October 7.30pm**

**We would love to hear from parents who would
be interesting in joining us!**

Our aim is to raise funds to be spent to support the children of White Woman Lane with additional opportunities and resources. We have so far raised money towards the Library bus, the Hobbit House and the Whole School Trip to Harry Potter amongst many other things. We also organise many other fundraising activities for the children, including school discos, bingo nights and the Summer BBQ. These can only go ahead with volunteers. Members of the current committee have done a fantastic job for the last few years and we are now looking for some new members.

Please join us on Wednesday at 7.30 in The Staff Room, if you are unable to attend but would still like to help please leave your details with the office or speak to Krissie Hailes the Chair of Friends of.

We look forward to meeting you!

WWL Social Media

Often in school we take photos of the activities children are taking part in (projects, sports events, dress up days etc) for display purposes in school. In addition, the school occasionally uses these images on our Facebook and Twitter pages to promote interest and inform parents about what is going on at school.

IF YOU ARE **NOT HAPPY** FOR YOUR CHILD TO FEATURE ON THE SCHOOL'S SOCIAL MEDIA ACCOUNTS TAKING PART IN SCHOOL ACTIVITIES, PLEASE CONTACT THE OFFICE:

- In person
- Tel: 01603 419203
- Email: office@whitewomanlane.norfolk.sch.uk
-

We will then ensure they are not featured.
