Keep Your eyes peeled

A member of our local community has contacted us regarding a ring they have lost on the path outside the front of our school. The ring is of great sentimental value to them and they would be enormously grateful to anyone who may find it and hand it in to school.
Thank you.

MIDDAY SUPERVISORY ASSISTANT VACANCY

Old Catton Junior School are seeking to appoint a new, permanent MSA (Midday Supervisory Assistant) to work across lunch time, Mon-Fri (6 hours in total) @ £8.49 per hour.

**Do you love working with children?
Would you like to join our hard-working happy team of professionals?**

Would you be able to:

- Help children to enjoy eating their lunch in our dining hall?
- Encourage children to socialise with each other?
- Play games with the children on the playground and school field?
- Enforce the school rules as appropriate?

If yes... pop along to Old Catton Junior on Church Street or contact them via or e-mail (office@oldcatton.norfolk.sch.uk) or telephone (01603 426973) for more details.

The school takes safeguarding seriously and the job will require two successful references and a DBS check.

Sponsored Fun Run!

This year the children have decided to raise funds for a new outdoor picnic/work area. This is something we have wanted for a while now.

To raise funds the children thought it would be a great idea to take part in a sponsored 'fun laps' as it was such a success last year. The idea is based on a fun run, except the children, and staff, are allowed to 'lap' the field in ways other than just running.

This event will take place on the afternoon of Wednesday 21st November and last for approximately 1 hour. The children are welcome to dress up, which they can come to school in all day, but will need to pay a fine of 50p.

We recommend sponsoring 20p per lap, but obviously any more than this would be gratefully received.

Shakespeare in Schools Festival 2018

On the day of the performance (the day Set 1 had been waiting for).we arrived early by ten minutes. We waited for everyone to arrive before getting on the coach to go to the playhouse Norwich. When everybody was ready we decided we would go to our dressing rooms and get ready for technical performances and dress rehearsals. We put our outfits on and stood in the wings, I peered out over the curtains and thought all of this will be full tonight; I waited for my cue before entering the stage, since I was a narrator I sat on the edge of the stage with my fellow narrators, and rehearsed my lines over and over again in my head before it was my time to speak. All of the characters were amazing and all acted with so much enthusiasm and character. Technical and dress rehearsals were over we hopped back onto the school coach the rest of our day was rehearsals back at school, until Later on. We went home and came back later again for our performance.it was dark outside and so was the school (but it was only 5.15 or something like that).we got on the coach for the last time that day, some of us feeling nervous and some of us not, we pulled up and we saw a few other schools' parents dropping their children off. We entered the auditorium and sat in our seats. We didn't know the order of the plays so we were super nervous about that, but soon found out that we were last and we were super happy about it because it gave us the whole time of the plays to recite our lines and to prepare ourselves. We watched the other plays and gave a round of applause when old Catton started to perform we walked upstairs to our dressing room (since we had already seen their performance)we put on any makeup/face paint and grabbed any props that were needed. Until we got called up on stage we went into the wings and then flooded out on stage. It was a brilliant night and everyone thoroughly enjoyed it I wish that we could do it again everything was amazing from sights to sound you could hear everything said really clearly and everything you saw was blurred out by the shining of the bright spotlight or the reflection of my shining torch, from the coach ride to the show I loved it and thank you to everyone who took part and helped out including:

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Talk homework is set in Best News every Friday and will be discussed at school on Tuesday mornings. Please spend at least 10 minutes talking with your child about the words below;
