Alien Invasion Day!

We have a very exciting fictional day planned! On Monday 20th March the whole school will be turned into an alien invasion investigation site for the day. The aim of the day is for children to become journalists/reporters and scientists to unearth clues that

aliens have visited the school that morning. The whole day children will be participating in engaging activities that will enthuse them to produce a newspaper report/T.V news report to be published in the school news paper. This fulfilled day has been a great success in other schools across the country. We aim to provide a unique experience that will support the children's learning in science and writing. To make the experience

even more memorable and unique, we will be providing each child with a reporters lanyard and notepad and we will be working alongside real-life reporters that can offer key advice. We look forward to a very exciting day organised by Mrs Harewood, Mrs Semmens-Byrne and Miss Chapman.

Thank you for your support with this popular fundraiser so far!

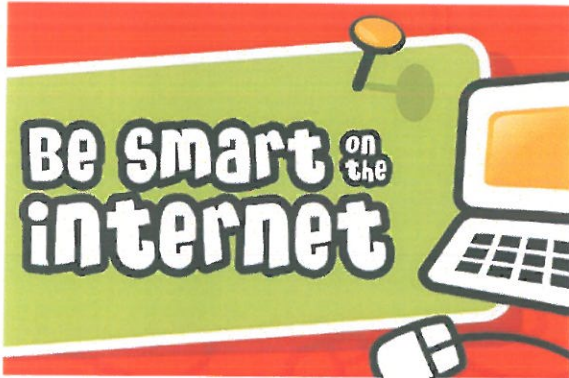

TALK HOMEWORK & 'WOW' WORDS

Each week we send a Talk Homework activity and 'Wow' Words home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

We have been talking a lot in school over the past few weeks about esafety and how to stay safe while we are using devices that connect us to the internet. One of the most critical things that we can all do is to talk to each other. Parents and carers to talk to their children about what they are doing online, what they are writing and who they are communicating with. Children to talk to their parents and carers if they are unsure of what they have seen online or if they are receiving anything that upsets them. This week I want you to discuss with your families the SMART rules!

Safe - keeping your personal information private.
Meeting - never meet someone that you have only met online.

Accepting - do not accepting emails or open attachments that you are unsure of; it could lead to viruses or damage to your devices.

Reliable - check information on the internet at least 3 times in different places to check that it is reliable.

Tell - tell an adult you trust if something makes you worry or feel scared.

This is a link to the SMART Poster that we are using in school. Tell your families about the SMART rules and why they are important. Feed back to your class the discussions that your families had.

<http://www.childnet.com/ufiles/KidSMART-poster.pdf>

*In Big Talk, we use 'WOW' Words to improve our vocabulary and 'big up' our sentences to make them more interesting
Our 'WOW' Word this week is;*

protection

(safety, welfare, well-being, security.)

Please encourage your child to use this word, in the right context, as much as possible.

Thank you for your support in helping your child.

Sports round up!

Korfball Tournament Report

On Saturday 4th March Year 3 took part in the Spring Term Korfball tournament at Eaton CNS. There were 8 school teams - 3 WWL teams (Sky, Blues and Greens) and 5 Sprowston teams. Each team played 3 matches then the top 2 teams from each of the pool groups played each other in a final. It was impressive how many of the players' attacking and defending skills had improved from the Autumn tournament, and for half of our squad this was their first tournament and experience of playing matches and they did extremely well.

Well done to all the Y3 players (a very promising Korfball squad) – Harry, Lucy, Lyla and Max; Benney, Evie, Harriet, Millie and Toby; Alfie, Daniel, Eve, Marley, Natalie and Tamzin.

The results were:

WWL Blues v Sprowston D 1-0 (Benney)

Sprowston B v WWL Greens 1-0

WWL Sky v Sprowston E 9-0 (Max 2, Harry 6, Lucy)

Sprowston A v WWL Blues 4-2 (Benney 2)

WWL Greens v WWL Sky 0-10 (Harry 6, Max 2, Lyla, Lucy)

WWL Blues v Sprowston C 3-1 (Toby, Benney 2)

Sprowston B v WWL Sky 0-7 (Harry 4, Lucy 2, Lyla)

WWL Greens v Sprowston E 0-1

Final: Sprowston A v WWL Sky 2-2 (Harry, Lyla)

WWL Sky came Joint 1st sharing the shield with Sprowston A. After a frantic start to the final which saw Sprowston score 2 very early goals, WWL battled back with 2 goals and were very unlucky not to score a winning goal in the closing stages of the game. WWL Blues came Joint 3rd and WWL Greens came Joint 5th.

Thank you to all the parents who came to support, to Mr Dunn for coaching and to Mr Johnson for supporting us as well.

Year 4 report – korfball

The results were...

Avenues C v WWL A 2-3 (Eva 2, Liam)

WWL B v Sprowston A 0-3

WWL A v Sprowston B 3-0 (Eva, Romy 2)

Hillside A v WWL B 8-1 (Charlotte)

Avenues A v WWL A 2-2 (Eva 2)

Avenues B v WWL B 4-0

WWL A v Hillside B 3-1 (Eva 2, Liam)

Sprowston B v WWL B 2-1 (Freddie)

Hillside B v WWL B 5-1 (Charlotte)

WWL A v Hillside A 4-4 (Eva 4)

WWL B TEAM CAME 9TH AND WWL A ARE THROUGH TO THE FINALS AT THE UEA AS THEY WERE ONE OF THE TOP 4 TEAMS.

Thank you to Eva, Romy, Charlotte, Poppy, Henry, Liam and Freddie for playing, and to Mrs Williams and Mr Dunn for coaching.

Cross Country

Congratulations to our Cross Country Team who ran at their last meeting of the season last week. Results and league tables are yet to be finalised and we will publish them next week.

EARTH ROCKS

As part of the science Unit "Earth Rocks" Year 3, Mr Belson (Mrs Woodhouse's dad) brought in his some of his extensive rock and fossil collection. The children were able to handle fantastic rock and mineral specimens and were particularly excited to hold a real fossil dinosaur egg. Here is a picture of 3ST with a selection of rocks and fossils.
