

SEN Information Report for Old Catton Junior School and White Woman Lane Junior School 2016-17

Part of the Norfolk Local Offer for Learners with SEN

Introduction

Welcome to our SEN information report which is part of the Norfolk Local Offer for learners with Special Educational Needs (SEN.) All governing bodies of maintained schools and maintained nursery schools and the proprietors of academy schools have a legal duty to publish information on their website about the implementation of the governing body's or the proprietor's policy for pupils with SEN. The information published must be updated annually. The required information is set out in the SEN regulations which can be found in this section of our website.

At the Old Catton and White Woman Lane Federation we are committed to working together with all members of our school community. This local offer has been produced with pupils, parents/carers, governors, and members of staff. We would welcome your feedback and future involvement in the review of our offer, so please do contact us. The best people to contact this year are:

Name of SEN governor- Mrs Judy Leggett and Mrs Becky Quiles-Richmond

Name of SENCO- Mrs. R. Hewett

Name of Parent governors - Mr Robert Wagstaff and Mrs Cathy Fiddy

Name of Head - Mrs.Ashley Best- White

Executive Deputy for SEND – Mrs Jenni Porter

If you have specific questions about the Norfolk Local Offer please look at the Frequently Asked Questions. Alternatively, if you think your child may have SEN please speak to their Class Teacher or contact our SENCOs on; • Old Catton Church of England Junior School 01603 426973 • White Woman Lane School 01603 419203.

Our Approach to Teaching Learners with SEN

At the Old Catton and White Woman Lane Federation we believe in participation for all. We want all adults and children to participate in learning and we celebrate all members of our community. We want to create an inclusive culture in our school and we aim to be more responsive to the diversity of children's backgrounds, interests, experience, knowledge and skills.

We value high quality teaching for all learners and actively monitor teaching and learning in the school

Our school improvement plan is about developing learning for all and details are planned continued professional development (CPD) opportunities for all staff. If you would like a copy of our plan for 2016-17, please contact the school.

We aim to create a learning environment which is flexible enough to meet the needs of all members of our school community. We monitor progress of all learners, and staff continually assess ensuring that learning is taking place. Our whole school system for

monitoring progress includes regular pupil progress meetings, and staff engage in coaching and supervision.

At the Old Catton and White Woman Lane Federation, we value:

Learning for all.

How we identify SEN

At different times in their school career, a child or young person may have a special educational need. The Code of Practice defines SEN as:

“A child or young person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for them. A child of compulsory school age or a young person has a learning difficulty or disability if they:

- (a) have a significantly greater difficulty in learning than the majority of others of the same age: or**
- (b) (b) have a disability which prevents or hinders them from making use of educational facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions.”**

If a learner is identified as having SEN, we will provide provision that is ‘additional to or different from’ the normal differentiated curriculum, intended to overcome the barrier to their learning.

Learners can fall behind in school for lots of reasons. They may have been absent from school, they may have attended lots of different schools and not had a consistent opportunity to learn. They may not speak English very well or at all, they may be worried about different things that distract them from learning. At the Old Catton and White Woman Lane Federation we are committed to ensuring that all learners have access to learning opportunities, and for those who are at risk of not learning, we will intervene. This does not mean that all children who have fallen behind in their learning have SEN. Only those with a learning difficulty that requires special educational provision will be identified as having SEN.

Our SEN profile for 2016-17 shows that we have 10% (Old Catton) and 11% (White Woman Lane) of children identified as having SEN, with 4% (Old Catton) and 6% (White Woman Lane) of those have a Statement or Education Health and Care Plan. 62% (Old Catton) and 58% (White Woman Lane) of children are identified as having SEN linked to Cognition and Learning; 10% (Old Catton) and 13% (White Woman Lane) linked to Communication and Interaction; 5% (Old Catton) and 7% (White Woman Lane) linked to Physical and Sensory and 24% (Old Catton) and 23% (White Woman Lane) linked to Social, Emotional and Mental Health.

Assessing SEN at Old Catton Junior School

Class Teachers, support staff, parents/carers and the learner themselves will be the first to notice a difficulty with learning. At Old Catton Junior School we ensure that assessment of educational needs, directly involves the learner, their parents/carer and of course their Teacher. The Special Educational Needs Co-ordinator (SENCO) will also support with the identification of barriers to learning. We have a range of assessment tools available, and

our updated tool kit for 2016-17, which we share with our cluster of schools is available in the appendix.

For some learners we may want to seek advice from specialist teams. In our school and cluster we have access to various specialist services. We have access to services universally provided by Norfolk County Council, which are described on the Local Offer website available here:

http://www.norfolk.gov.uk/Childrens_services/Special_educational_needs_and_disabilities/index.htm

Old Catton Junior School and White Woman Lane Junior School are part of the Sprowston Cluster have also commissioned for 2016-17 support from:

- Educational Psychologist
- Speech Therapist – as required
- Specialist Support Teacher for SEN
- School Counsellor – as required
- Mindfulness courses – as required
- Confidence Through Craft – weekly sessions
- Music Therapy – as required
- Parent Support Adviser – 1 day per school per week
- Skill Force Award – 30 pupils per year, per school
- Positive Play sessions – weekly sessions
- PATHs – Promoting Alternative Thinking Skills

We also employ 6 (OCJS) and 11 (WWL) full time and part time Learning Support Assistants who deliver the interventions in the provision map as co-ordinated by our SENCO.

What we do to Support Learners with SEN at the Old Catton and White Woman Lane Federation?

Every Teacher is required to adapt the curriculum to ensure access to learning for all children in their class. The Teacher Standards 2012 detail the expectations on all teachers, and we at the Old Catton and White Woman Lane Federation are proud of our Teachers and their development. The Teacher standards are available **here**.

Our Teachers will use various strategies to adapt access to the curriculum, this might include using:

- Visual timetables
- Writing frames
- I-pads, lap tops or other alternative recording devices
- Peer buddy systems
- Positive behaviour rewards system
- Specialised writing equipment

Each learner identified as having SEN, is entitled to support that is 'additional to or different from' a normal differentiated curriculum. The type of support is dependent on the individual learning needs, and is intended to enable access to learning and overcome the

barrier to learning identified. This support is described on a provision map, which although does not detail the individual learner names, describes the interventions and actions that we undertake at the Old Catton and White Woman Lane Federation to support learners with SEN across the year groups. We modify the provision map regularly, and it changes every year, as our learners and their needs change. The provision map for 2016-17 is available in school.

At the Old Catton and White Woman Lane Federation we share the provision map with our colleagues in the Sprowston Cluster and Nebula Partnership so we can learn from each other, and demonstrate what we offer for learners with SEN. We are also able to promote consistent practice across all the schools in our cluster and partnership ensuring equality of opportunity.

Our provision map is shared with Governors who are able to ensure that we monitor the impact of these interventions on learning across the school.

Funding for SEN

The Old Catton and White Woman Lane Federation receives funding directly to the school from the Local Authority to support the needs of learners with SEN. This is described in an SEN memorandum. The amount of funding we received for 2015-16 for Old Catton Church of England Junior School is £56,976 and £13,263 top-up from the cluster and the amount for White Woman Lane School is £90,846 and £31,995 top-up from the cluster.

The Sprowston cluster of schools also receives funding from the Local Authority which is distributed as 'top up' funding for learners who require support that exceeds that available to the school. The Sprowston cluster funding for 2015-16 is £330,242.

All schools in the Sprowston cluster have signed a governance agreement which helps us work together. We have written our Cluster Handbook/ policy for SEN which is available on our website.

The Sprowston Cluster of schools is committed to working together to improve learning for all, and we are able to share resources, training and moderate provision for learners with SEN. If you would like any further information on SEN in the Sprowston cluster please contact our SEND Coordinator: Amanda Roper 01603 409078

How do we Find Out if this Support is Effective?

Monitoring progress is an integral part of teaching and leadership within the Old Catton and White Woman Lane Federation. Parents/carers, pupils and staff are involved in reviewing the impact of interventions for learners with SEN. We follow the 'assess, plan, do, review' model and ensure that parents/carers and children are involved in each step. Before any additional provision is selected to help a child, the SENCO, Teacher, parent/carer and learner, agree what they expect to be different following this intervention. A baseline will also be recorded, which can be used to compare the impact of the provision.

Children, Parents/carers and their Teaching and Support Staff will be directly involved in reviewing progress. This review can be built in to the intervention itself, or it can be a formal meeting held at least once a term, where we all discuss progress and next steps. If

a learner has an Education Health and Care Plan (EHC plan,) the same termly review conversations take place, but the EHC plan will also be formally reviewed annually.

The SENCO collates the impact data of interventions, to ensure that we are only using interventions that work. Intervention data is shared with the Sprowston Cluster and Nebula Partnership so all SENCOs are able to select high quality provision.

Progress data of all learners is collated by the whole school and monitored by Teachers, Senior Leaders and Governors. We are also part of the Sprowston Cluster moderation group so can ensure that our judgements stand up to scrutiny. Our school and cluster data is also monitored by the Local Authority and Ofsted.

Other Opportunities for Learning

All learners should have the same opportunity to access extra curricular activities. At the Old Catton and White Woman Lane Federation in 2016-17 we are offering a range of additional clubs and activities. These can be found on our website and in our newsletters.

We are committed to making reasonable adjustments to ensure participation for all, so please contact the relevant SENCO to discuss specific requirements. Please email:

senco@oldcatton.norfolk.sch.uk

or

deputysend@nebula.norfolk.sch.uk

All staff at the Old Catton and White Woman Lane Federation have regular training on the Equality Act 2010. This legislation places specific duties on schools, settings and providers including the duty not to discriminate, harass or victimise a child or adult linked to a protected characteristic defined in the Equality Act and to make 'reasonable adjustments.'

The Equality Act 2010 definition of disability is:

“A person has a disability for the purposes of this Act if (s)he has a physical or mental impairment which has a substantial and long-term adverse effect on his ability to carry out normal day-to day activities.”

Section 1(1) Disability Discrimination Act 1995

This definition of disability in the Equality Act includes children with long term health conditions such as asthma, diabetes, epilepsy, and cancer. Children and young people with such conditions do not necessarily have SEN, but there is a significant overlap between disabled children and young people and those with SEN. Children and young people may therefore be covered by both SEN and disability legislation.

For more information about the Equality Act, the protected characteristics or duties on public bodies, please click below;

<http://www.equalityhumanrights.com/public-sector-equality-duty>

Preparing for the next step

Transition is a part of life for all learners. This can be transition to a new class in school, having a new teacher, or moving on to another school, training provider or moving in to employment. The Old Catton and White Woman Lane Federation is committed to working in partnership with children, families and other providers to ensure positive transitions occur.

Planning for transition is a part of our provision for all learners with SEN. Moving classes will be discussed with you and your child at their summer term review meeting. Transition to secondary schools will be discussed in the summer term of their Year 5, to ensure time for planning and preparation.

Have your say

Old Catton Church England Junior and White Woman Lane Junior are community schools. We can shape and develop provision for all of our learners ensuring achievement for all. This SEN report declares our annual offer to learners with SEN, but to be effective it needs the views of all parents/carers, learners, governors and staff. So please engage with our annual process to 'assess plan, do and review' provision for SEN.
