## Our Vision

Our vision is to create a school where every child and adult has self-belief and the opportunity to be the best they can be, fostered through a sense of belonging, of being valued and with respect for individuality. We will be defined by who we are and what we do.

- each pupil is educated to develop as a whole person
- each pupil is helped to succeed
- each pupil is enabled and encouraged to achieve his/her potential working in partnership with his/her parents and carers
- effort and achievement is recognised and rewarded
- a caring and safe environment is provided in which all can flourish
