For the academic year
 2015 - 2016

As this will be the last newsletter of the term, the staff and I wish to express our gratitude for all the help and support given by so many of you to the school over the last academic year. As we reach the end of the school year we have to say farewell to Year 6 and wish them every success in the future; they have been a great year group throughout the school. I don't know where the time has gone – it only seems like yesterday that these children arrived at White Woman Lane! Doesn't it make you feel old? Every Year 6 pupil was given a Year 6 photograph to remember their time with us and with each other.

I would like to take this opportunity to thank our wonderful school secretaries for all their hard work this year, Mrs Read, Mrs Collinson and Mrs Dickerson, without whom ... we simply do not know what we would do!

Also thanks to our brilliant cleaners who do such a wonderful job looking after our school with such pride. Thanks too, to Mr. Smith who helps in too numerous ways to mention!

My thanks to the kitchen staff who spend so much extra time providing healthy menus and tuck and the midday supervisors who work so hard to enable children to enjoy safe and constructive playtime. Many thanks to the Crossing Patrol who does such an important job.

Many adults give so freely of their time to enrich the experiences our children have and I am extremely grateful to all of you who help us with various things such as, hearing the children read, threading needles, assisting with cycle proficiency training and organising events to raise funds for the school.

Finally my thanks to all the staff of WWL for all their hard work, enthusiasm and commitment to the children and the school this year.

Wishing you all a sunny, happy and restful, summer holiday!

WELCOME!

In September we will be welcoming Miss Coates who will be a new class teacher in Year 5 and Miss Stackwood who will be a class teacher in Year 3.

GOODBYE TO.....

As most of you know, we are having two long-established members of teaching staff this summer. Miss Bufton is moving to another school nearer to her home and Mrs Brooks has chosen to retire early. They have been part of the fabric of WWL for a very long time and influenced, guided and taught hundreds of pupils. They each have specific skills which have enhanced the progress of their pupils across the curriculum and we will miss those attributes. As individuals they have both deeply cared for their pupils, putting children's welfare and well-being above all else. They have also both mentored some of our newer members and should be proud of the teachers they have helped mould. They are a lasting legacy... Thanks You! Musically the school has lost two talents although a new one has emerged on the back of their departure! Both will be sorely missed, as teachers and friends but we look forward to hearing about their various adventures and wish them luck.

CONGRATULATIONS!

Many congratulations to Miss Brunning who leaves us this term, to return in September as Mrs Harewood. We hope Miss Brunning and her husband both have a lovely day and wish them every happiness for the future.

LIBRARY REQUEST

If you should find any books at home during the summer break, please return them to school as soon as possible. No questions asked – we promise!

NEW STORYBAGS

From September, children will be able to borrow our new Storybags from the Library Bus. These help develop reading and language skills, develop confidence in using books and encourage a life-long love of reading.

You can enjoy the story together - by reading the story aloud, asking questions, discussing the illustrations, acting out the story using the characters and props and listening to the audio CD.

Titles:

Y3 – Millie's Marvellous Hat

Y4 – The Day the Crayons Quit

Y5 – Gorilla

Y6 – The Arrival

They will be on display in the foyer on Friday 2nd September during the Assertive Mentoring Meetings and from Mon 5th children will be able to reserve them from the Library Bus.

We hope you have fun with the Storybags!

WWLS Korfball Team of the Year 2016

This award goes to the team which has shown the most commitment to training throughout the year, the most enthusiasm for the sport and the most improvement in their skills. As a team these players have shown commitment, enthusiasm and a fantastic sporting attitude not only this year but since Year 4 when they began playing. They have made a fabulous improvement in their skills due to hard work and the players have a determination never to give up when matches get tough, which has helped this team win so many matches and tournaments this year. They are real team players who work for each other as well as for themselves in matches to create goal scoring opportunities. What a credit to the school and themselves. It has been an absolute pleasure to teach you all.

Congratulations to ... **Year 6 A Team**

Korfball Player of the Year – Girl

Her commitment and enthusiasm for the sport has been unfaltering since Year 4. Although unable to play for Norfolk at the Inter-Area she attended every training session and unknowingly helped me select the A and B team boys by her playing against them - thank you. She is a superb tactician, who reads the game very well. She sets up goal scoring opportunities for other players and gets herself in great positions to attack and score. Well done... **Harriet Knights**.

Korfball Player of the Year – Boy

Both this award and the above were incredibly hard to choose because there are so many worthy winners. This award goes to a boy who has continued to improve his skills and has now started scoring in matches – showing that commitment and hard work pays off. He did not play for the Norfolk team but he would definitely be selected for the squad now. He has often been a substitute at times but his attitude has been fantastic, always sporting, never complaining, and always giving 100% in attack and defence on the pitch. Well done... **Rio Abodunde**.

The above and the following Year 6 players were also awarded special Korfball certificates in recognition of their outstanding achievements this year:

Kieran Pegg – A superb natural goal scorer, with a great sporting attitude, who can be relied upon to score those goals that really matter in crucial games.

Joe Pinches and Sienna Frederick – Their excellent natural defensive skills are now being matched with great attacking skills and goal scoring.

Jack Dickerson – He began as a B team player but his phenomenal work rate and effort quickly earned him his A team place. With brilliant attacking and defensive skills, his shots show techniques many adults would be proud of.

Sophie Overton – A great goal scorer who always works hard in attack and defence and always gives 100%. Fantastic skills and attitude.

Leo Armstrong-Iginla – A nippy attacker who makes great interceptions in defence and always gives 100% in matches. Played really well for Norfolk in January.

Alisha Bell – She has had solid Korfball skills in attack and defence since Year 4, and has been prepared to step into the A or B team when needed. Well done.

YEAR 6 END OF KS2 TEST RESULTS

The results are back and pupil's individual achievements have been reported to parents.

In the SATs tests this year children received a scaled score between 80 and 120.

Any child getting 100 or more achieved the expected standard. Those below did not.

At the moment there is no official 'greater depth' level but I have included figures based on where we think it might be.

| | % Children reaching Expected Standard | | Average Scaled Score | | % Achieving score of 110+ (High achievers) |
|-------------------------------------|---------------------------------------|-----|----------------------|-----|--|
| | National Average | WWL | National Average | WWL | |
| Maths | 70% | 75% | 103 | 105 | 38% |
| Reading | 66% | 80% | 104 | 107 | 30% |
| GPS | 72% | 89% | 103 | 106 | 37% |
| | | | | | |
| Writing (T.A) | 74% | 89% | Greater depth: 8% | | |
| COMBINED READING, WRITING AND MATHS | 53% | 68% | | | |

Basically, we've smashed it! Well above the national average and floor level standards, the children have done incredibly well. These fantastic results are testament to the hard work of our pupils and commitment of all our staff and of course the positive partnership with have with parents.

Parent Questionnaire Results July 2016

ON-LINE SECURITY

As part of our curriculum, our pupils receive full e-safety training within their ICT and PSHE lessons. As your children may use the internet at home over the summer break, I thought it may be a good idea to remind you of the website www.thinkuknow.co.uk which is an excellent police backed website that explains all you need to know about keeping your child safe online. There are specific pages for parents and for children. Do you know about which sites your child accesses on the internet? Do you know all of the people they 'chat' to online? And beware! ... Do you know your children could also access some inappropriate sites using their games consoles, Nintendo DS, X-Boxes and Playstations and of course using their mobile phones?

YEAR 6 PICNIC

Year 6 enjoyed a picnic at lunchtime today. The picnic was supplied and prepared by the Friends of White Woman Lane and some of our staff and we are extremely grateful to them.

UPPER SCHOOL PERFORMANCE

The performances raised £142.25 for the School Fund. Thank you for your support!
