For the academic year
2017 - 2018

As this will be the last newsletter of the term, the staff and I wish to express our gratitude for all the help and support given by so many of you to the school over the last academic year. As we reach the end of the school year we have to say farewell to Year 6 and wish them every success in the future; they have been a great year group throughout the school. I don't know where the time has gone – it only seems like yesterday that these children arrived at White Woman Lane! Doesn't it make you feel old? Every Year 6 pupil was given a Year 6 photograph to remember their time with us and with each other.

I would like to take this opportunity to thank our wonderful school secretaries for all their hard work this year, Mrs Read, Mrs Collinson and Mrs Dickerson, without whom ... we simply do not know what we would do!

Also thanks to our brilliant cleaners who do such a wonderful job looking after our school with such pride. Thanks too, to Mr. Smith who helps in too numerous ways to mention!

My thanks to the kitchen staff who spend so much extra time providing healthy menus and tuck and the midday supervisors who work so hard to enable children to enjoy safe and constructive playtime. Many thanks to the Crossing Patrol who does such an important job.

Many adults give so freely of their time to enrich the experiences our children have and I am extremely grateful to all of you who help us with various things such as, hearing the children read, threading needles, assisting with cycle proficiency training and organising events to raise funds for the school.

Finally my thanks to all the staff of WWL for all their hard work, enthusiasm and commitment to the children and the school this year.
Wishing you all a sunny, happy and restful, summer holiday!

WELCOME!

In September we will be welcoming Miss Coe who will be a new class teacher in Year 4

GOODBYE TO.....

Many of you may have heard by now that we are losing a White Woman Lane institution - Mrs Wiles is retiring. Throughout many years she has helped, guided and supported hundreds and hundreds of children and dozens and dozens of staff. Mrs Wiles is especially talented in anything to do with art. She encouraged the children to produce many fantastic pieces of art and produced a fair few herself as the prop and set maker in chief for the upper school performance. Consequently, we have renamed our school's Art Award as the Wiles Art Award to honour her incredible contribution. She will be deeply missed by all members of staff and children, and we hope we'll be able to tempt her back to visit. We wish her a long and happy retirement and hope she enjoys her gardening!

Mr Sidy, who has been teaching in Year 4, is leaving us at the end of this term. He has been a valued member of staff and will be an excellent addition to the teaching team at Horsford Primary. Thank you and all the very best for the future!

Also, we are saying goodbye to Miss Jackson for a different, but equally happy, reason - maternity leave. Miss Jackson has made a superb contribution to the school over the last 3 years and has had a fantastic impact on the children she has taught. We would like to thank her for her hard work, empathy and for always putting the children first. We wish her good luck (and hopefully enough sleep) on her next adventure.

SCHOOL COUNCIL

In recognition of the contribution they have made to the School Council and School Improvement, awards were presented to the executive committee;

Matthew Clarke and Maisie Rayner

WWLS Korfball Team of the Year 2018

This award goes to the year group which has shown the most commitment to training throughout the year, the most enthusiasm for the sport and the most improvement in their skills. For this year group, both teams have competed well at each tournament this year, with the 1st team victorious on each occasion. They are now facing players whose defending skills have improved and the players are really listening how to improve their attacking skills to set up more scoring chances. The first team's consistent scoring in the Summer tournament showed this in their goal tally of 26 goals – wow! Keep it up next year. Congratulations to ...

Year 4.

Korfball Girl and Boy Players of the Year 2018

These awards this year go to two players who showed dedication to training every single week of the year, turning up to train in all weathers, and often arriving early, offering to help. They never complained when substituted, their skills improved throughout the year and they became valued team members of the year 6 team.

Well done and thank you ...

Madi Marshall-Nichols and Connor Emery.

Thank you for your support!**

LIBRARY REQUEST

If you should find any books at home during the summer break, please return them to school as soon as possible. No questions asked – we promise!

YEAR 6
END OF KS2 TEST RESULTS

The results are back and pupil's individual achievements have been reported to parents. In the SATs tests this year children received a scaled score between 80 and 120.

Any child getting 100 or more achieved the expected standard. Those below did not.

At the moment there is no official 'greater depth' level but I have included figures based on where we think it might be.

| | % Children reaching Expected Standard | % Achieving score of 110+ (High achievers) |
|------------------------------------|---------------------------------------|--|
| Maths | 80% | 20% |
| Reading | 68% | 14% |
| GPS | 88% | 30% |
| Writing (T.A) | 90% | 18% |
| COMBINED READING, WRITNG AND MATHS | 65% | |

The children have done really well and exceeded their targets and expectation. These fantastic results are testament to the hard work of our pupils and commitment of all our staff and of course the positive partnership with have with parents.

LOST PROPERTY

We have quite a lot of lost property (clothing, lunch boxes, water bottles etc.) in the box located in the Art Gallery as well as more valuable items, located in the school office, such as glasses, earring, other jewellery, keys, purses/wallets etc.

PLEASE BE AWARE THAT UNCLAIMED ITEMS WILL BE DISPOSED OF AFTER THE LAST DAY OF TERM

Congratulations to the 96 children who attended a Norfolk Children's University graduation at White Woman Lane yesterday and shared their learning experiences with family, friends and staff. Among the graduates were 16 postgraduates, which are the most postgrads Norfolk CU has ever had in one ceremony and is even more amazing as they were all from the same school.

Please keep collecting credits over the holidays when out and about as there are fantastic learning destinations throughout Norfolk and further afield too. Remember hours can be earned by taking part in the Norfolk Library Service's Summer Reading Challenge and that a CU passport will gain the holder free entry into all 10 Norfolk Museum Services properties, including Norwich Castle and Gressenhall.

Dragons Korfball Club

www.norfolkdragonskc.co.uk

Years 3-6 = 5.30pm-6.30pm

Years 7 and 8 = 6.30pm-7.30pm

Dragons Korfball Club runs korfball training at The Open Academy, Heartsease for players in Years 3 and above. After the Summer break, training will be from Wednesday 12th September 2018 until Wed 5th December 2018 (NOTE: there will be no training on Wed 24th October).

Dragons committee members have decided that to ease administration an up-front payment of £30 can be made at the first session for the 12 sessions

For those wishing to make payments by cheque, please make cheques payable to 'Dragons K.C.'

Alternatively, a weekly fee of £3 will be charged to cover costs of equipment and hall hire.

The first two sessions are free to new members.

We look forward to seeing you.

Charlie Williams.

Rainbow Bubble Snakes

A New and colorful way to blow bubbles ~ Rainbow Bubble Snakes - Outdoor Activity!

All you need is an empty water bottle from your recycling, duct tape, a old sock, dish soap and some food colouring.

Start by cutting the bottom of the water bottle off. Next slide the sock over the bottom of the bottle. Use duct tape to secure your sock, but you could use a rubber band as well.

Pour some dish soap into a shallow container with a little bit of water and gently mix. Dip the sock covered bubble blower into the solution and gently blow. You can add food colouring to make a multicoloured bubble snake!

The Exploding Lunch Bag

Here's what you'll need:

- Zip sandwich bag – zip-lock freezer bags work the best
- Baking soda
- Warm water
- Vinegar
- Measuring cup
- Tissue

Steps:

1. Go outside or to the kitchen sink.
2. Put $\frac{1}{4}$ cup warm water into the sandwich bag.
3. Add $\frac{1}{2}$ cup of vinegar to the water in the sandwich bag.
4. Put 3 teaspoons of baking soda in the tissue then fold it up.
5. Work fast now- zip the sandwich bag close but leave a corner open, enough to fit the tissue full of baking soda in.
6. Slip the tissue in and step back
7. Watch the bag slowly expand then explode!

This cool experiment is fueled by the simple chemical reaction between the vinegar and the baking soda. It releases CO₂, and once the bag no longer holds that capacity for the CO₂, the bag then explodes.

Make a Anemometer

An anemometer is a tool made to measure the speed of wind. With a few simple materials, making an anemometer is an easy arts and crafts project that students can do to help them learn various scientific methods and subjects such as experimentation, recording data, windy velocity, and physics.

Supplies & Tools:

- 4 plastic cups
- 2 straws
- A nail
- Hole punch
- Stapler

Follow the steps on WikiHow

Summer Challenges

Write about a summer holiday adventure you have had. 1 Credit

Make a collage of pictures and drawings of things you did over the summer holidays.
1 Credit

Read a book over the summer and write a review about it.
1 Credit

Have a go at some science experiments this half term. Up to 3 credits (find our science experiments on www.norfolk.gov.uk/childrensuniversity)

Arrange a picnic for the family, plan what you will take (food, something to sit on, games) help make the food, decide where to go and tell us all about your day.
1 credit

Dig out a map or globe and find a country you know nothing about. Find out everything you can about this country; the capital city, what language they speak, the preferred cuisine, any traditions specific to the country. Either write about it or for an extra credit, create a presentation about it and present this to your friends and family.

Up to 2 credits

Have you thought about what you might like to do when you grow up and leave school?

Do you want to be a science teacher?

Do you want to be a geologist?

Do you want to work with animals?

Think about what you might like to do and plan your day around this career.

How would you dress?

What would your day involve?

1 credit

Also are there any CU learning destinations you could visit to learn more about this job? Perhaps you might like to visit them over the holidays.
