TOKENS

IN THE

BOOKS FOR SCHOOLS

Tokens are appearing in the Evening News as well as its sister publications across the region for parents, school staff and friends to collect and send in to school. For every 1,000 tokens collected, the school will receive £100 worth of free books.

Post your tokens in the box in reception!
Thank you for your support.

The Nebula Partnership

Reminder –Uniform and sports kits!!

Now that the colder weather has crept in please ensure your child has a warm tracksuit for outdoor P.E. and Games lessons.

As always, please ensure all equipment and clothing is clearly named.

If your child accidentally brings home items of clothing or equipment not belonging to them please ensure it is returned to school so that it can be teamed up with its rightful owner.

Thank you for your cooperation.

Sponsored Fun Run!

This year the children have decided to raise funds for a new outdoor picnic/work area. This is something we have wanted for a while now.

To raise funds the children thought it would be a great idea to take part in a sponsored 'fun laps' as it was such a success last year. The idea is based on a fun run, except the children, and staff, are allowed to 'lap' the field in ways other than just running.

This event will take place on the afternoon of Wednesday 21st November and last for approximately 1 hour. The children are welcome to dress up, which they can come to school in all day, but will need to pay a fine of 50p.

We recommend sponsoring 20p per lap, but obviously any more than this would be gratefully received.

TALK HOMEWORK

Each week we send a Talk Homework activity home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Talk homework is set in Best News every Friday and will be discussed at school on Tuesday mornings. Please spend at least 10 minutes talking with your child about the words below:

Non Uniform Day for the Christmas Fair

For a donation of a prize, your child can wear non-school uniform for the day. Lower School Tombola Prizes and Upper School any kind of bottle for the bottle stall (the more varied the better)!

Christmas Fair - Friday 30th November 3.00 – 5.00pm

From Friday 23rd November we will be collecting any items donated for the tombola and Christmas Jar stalls for the Friends of WWL Christmas Fair. We are asking the children to **'Fill a Jar'**. They will need a clean glass jar with a screw on top. The jar can be any size – the more varied the better! The idea is that the jars can be filled with anything they choose – the more original the better! A Christmas theme is not necessary – but might be nice! Our suggestions have been things such as sweets, bath salts, craft beads, small soaps or bath beads, hair bands, cotton wool balls, Christmas decoration/s ... I'm sure you will have many, even better ideas. The children really enjoy this stall, thank you so much once again for your support.

As always in order for this event to be successful, we greatly depend on your help and support by sending in goods for our stalls, perhaps by baking a cake or two, helping to set up the stalls or helping on one of the stalls on the day ...

... and coming along to the Christmas Fair in the school hall on 30th November.

Cakes

Any cakes, buns, scones, cookies or biscuits whether homemade or shop bought would be very gratefully received. Please send your contributions into school on the morning of the **30th November**.

Fill-a-Jar

Fill a glass jar with a variety of items – sweets, hair accessories, stationery, Christmas baubles and decorations – the more original the better!

Start sending your filled jars into school from **Friday 23rd November**.

Smellies

Perfumes, bath oils, shower gel, soap, etc. Please send donations into school from **Friday 23rd November**.

Books/games

Games and books in excellent condition please. Please send your donations into school from **Friday 23rd November**.

Tombola donations

Any items that are in good condition and need a new home.

Bottle Tombola

Always a huge success – especially in time for Christmas! Please send your donations into school from **Friday 23rd November**.

Teddies

Any teddies in good condition

There will be light refreshments available in *The Café*, tea, coffee, mulled wine and a mince pie for the adults, cakes and squash for children. A huge variety of stalls with things to buy and things to win! Great fun for all the family!

If you are able to help on the 30th November in any way please return the slip below to school. Thank you.

As part of National School Meal's Week, we asked Brasted's Executive Chef, Chris "Buzz" Busby, to share his rather special version of a school meal classic...

Raspberry Jam Steamed Sponge and Custard Serves 6

Sponge

175g Soft Unsalted Butter (plus extra for greasing pudding dish)
175g Light Muscovado Sugar
1 Tbsp. Black Treacle
3 x Eggs
175g Self-Raising Flour

Jam

500g Raspberries
400g Caster Sugar

Custard

½ Vanilla Pod
600ml Whole Milk
4 x Egg Yolks
3 Tbsp. Caster Sugar
4 Tbsp. Cornflour

Method

Butter a 1-litre pudding basin. Cream the butter in a bowl using electric beaters until pale. Add muscovado sugar and beat until pale and fluffy then beat in the black treacle. Beat in the eggs one at a time, adding a large spoonful of the flour with the final egg. Fold in the remaining flour. Spoon the

mixture in to the basin. Cover the mixture with a pleated sheet of foil and tie with string.

Heat 5cm of water in the bottom of a large pan with an upturned plate in the bottom to stop the pudding from touching the bottom of the pan. Add the pudding and steam gently for 2 hours.

Heat the oven to 200°C. Put the raspberries in a baking dish and the sugar in another. Bake both for 30 minutes and then combine in a heatproof bowl, stirring well. This will make instant jam! Allow the jam to cool.

Cut open the vanilla pod and scrape out the seeds. Add them to a pan with the milk and bring to the boil. Remove from the heat and infuse for 20 minutes. Whisk the egg yolks, sugar and cornflour in a bowl. Bring the milk back to just under the boil and beat in to the egg yolk mixture. Return to the pan and stir constantly until the custard thickens but don't let the mixture boil.

Serve the sponge with the homemade jam and custard.

PUDDINGS

"The thought of going back in time and remembering my favourite pudding at school, for me, must be steamed jam pudding and custard. It was the lightness of the sponge, the rich raspberry jam and the warm silky custard. Happy cooking!"

BRASTED'S

As part of National School Meal's Week, we asked Benedict's Chef Owner, Richard Bainbridge, to share his rather special version of a school meal classic...

Floating Island

Serves 6

For the Floating Islands

12 Egg Whites
240g Caster Sugar
Sauté Pan Half Filled with Milk
Toasted Almonds

For the Caramel

200g Sugar
50g Glucose
Splash of Water

Real Custard (Crème Anglaise)

275ml Double Cream
150ml Full-Fat Milk
1 Vanilla Pod (Split)
Zest of 2 Oranges
6 Egg Yolks
110g Caster Sugar

Method

Place the egg whites and sugar into a large bowl and whisk until soft peaks. Shape in to mini clouds and poach in the warm milk for two minutes on each side. Remove from the milk and set to one side until needed.

For the caramel add all ingredients in a pan and place on a medium heat until it turns a nice golden colour.

For the custard, pour cream and milk into a heavy-based saucepan. Then scrape in the vanilla seeds and the empty vanilla pod along with the orange zest. Bring slowly to the boil, remove from the heat and set aside to infuse. Whisk the egg yolks and sugar together in a large bowl. Gently re-heat the cream and milk mixture. As soon as it reached boiling point, pour it on to the egg yolks and sugar, whisking all the time. Return the custard to the saucepan and, over a low heat, stirring continuously until the custard thickens enough to coat the back of a spoon.

Immediately remove the pan from the heat, then pass the custard through a fine sieve into a bowl. If you are not using it immediately, push a piece of cling-film tightly down on top of the custard then another piece over the top of the bowl – this will prevent a skin forming.

To dress

Half fill a dessert bowl of custard, place the floating island on top, drizzle hot caramel over the top and add toasted almonds.

PUDDINGS

"A floating Island is a dessert of happiness for me, you can't eat it without having a smile on your face. It's just as happy as the creamy rice pudding I remember from first school!"
