Polite Reminders

Clothing in adverse weather

Now that the colder weather is really setting in please ensure that children have a warm tracksuit or jogging bottoms and sweatshirt in their P.E kit, to be used for outdoor Games lessons.

In a situation where there has been snowfall and our school is open, pupils will only be allowed to play outside, at lunch and break times, if they have suitable clothing and footwear i.e. Wellingtons/snow boots and warm clothing and overcoats.

Naming of clothing and equipment

Please ensure that all items of clothing and equipment brought into school by children are clearly named so that they can be teamed up with their respectful owners. Many items found in school are either un-named or not named clearly.

Lost Property

Any items not able to be teamed up with owners are left in the lost property box (located in the Art Gallery) until the end of each term. All unclaimed items are then disposed of.

School closures in adverse weather

We have just about escaped adverse weather in December but who knows what January may hold?! Many schools face difficulties as a result of adverse weather, particularly during periods of very low temperature and heavy snow. I am sure that you acknowledge that it is a difficult decision that sometimes has to be made as to whether to temporarily close the school for safety reasons and it is never a decision that is taken lightly.

In some circumstances closure is unavoidable, for example where there would not be enough staff on school sites to ensure pupil safety or the school site cannot be cleared sufficiently to be safe for all who attend the premises. We also have to take into account the travelling conditions and risk assess whether pupils, parents and staff can travel safely to and from school.

Information regarding whether White Woman Lane School is closed and a list of all schools which are closed can be found on the website www.schoolclosures.norfolk.gov.uk. As well as publishing the information on the web, Norfolk County Council will also highlight closures on our [Facebook](#) and [Twitter](#) channels, using the hashtag [#norfolkwinter](#).

TALK HOMEWORK

Each week we send a Talk Homework activity home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Talk homework is set in Best News every Friday and will be discussed at school on Tuesday mornings. Please spend at least 10 minutes talking with your child about the words below;
