6.30pm for 7.00pm start

Tickets available on the door.

£5 for adults, £1 for children

Lots of great prizes!

Beer, wine, tea, coffee, cakes and Tuck shop available.

Korfball

Silver for the Under 11s - Inter-Area Korfball Tournament, Harrow

Last Sunday Breana and Evie in year 6 joined with players from Sprowston, Avenues, St. Williams Way and Colman to play for the Norfolk Under 11s A team. It was an absolutely fantastic day of Korfball, with great teamwork despite only 3 training sessions, and all players scored throughout the 6 matches.

The 9 area teams were arranged in 3 pools, with all teams playing 4 pool games in the morning, then teams had 2 games for placings in the afternoon, with the top 4 teams from the second round of pool games through to the semi-finals. Norfolk B were so unlucky in their pool matches and unfortunately their goals just did not want to go through the basket! Their goals finally started going in during the last match and they got a win they fully deserved after working hard throughout the day. Norfolk A had fairly easy first 2 matches but then came up against a very strong Kent side. With a loss, it meant that Norfolk had to win their next match against North West London to go into the semi-final. Norfolk played with even more determination and had a comfortable win to go through to the semi-finals against London A. London began well scoring 2 goals very early, but our players kept their heads up and fought back in an incredible style which left their opponents shocked. The energy the players put into the match and the roars of the crowd every time a goal went in, you would have thought it was the final! A re-match against Kent saw Norfolk playing much better against the team who had been so strong against them earlier in the day. The players really had listened well how to defend Kent's running in shots, and worked even harder as a team to defend and attack to score goals.

Silver medals were a great achievement for the squad, and all the players represented their county and school magnificently. Thank you so much to the players for their hard work and commitment, and to parents who drove and supported.

Norfolk A results:

Cambridge B	7-0
South Midlands	5-3
Kent	0-4
North West London	8-2
London A	6-3
Kent	5-2

SWIMMING

The WWL swimming team competed at the Norwich East Schools Sports Partnership Swimming Gala at Thorpe School Pool on Tuesday. All the swimmers swam extremely well impressing Mrs Woodhouse (who is VERY hard to impress as she is a former competitive swimmer) with their high level of skill. We had a number of heat winners: Liam Gascoyne, Henry Mann, Phoebe Howard, Amara Addison, Matthew Clarke and Jude Frostick but we had to wait until the afternoon gala had taken place before we knew if anyone had qualified for the Norfolk School Games Finals.

We now know that the following swimmers are the fastest in the partnership and have won the right to represent Norwich East at the School Games Finals: Henry Mann (Y4 Breaststroke), Liam Gascoyne (Y4 Backstroke, Freestyle, relay). Amara Addison (Y5 Butterfly, Freestyle, Relay), Matthew Clarke (Y5 Breaststroke). This is a huge achievement and the first time that White Woman Lane have had four swimmers selected for the finals.

Well done to the following swimmers who also represented the school so ably: Tallulah Brickley, Angel Griggs, Charlotte Beaumont, Evie Dickerson, Lauren Hailes, Eleanor Wagstaff and Charlie Archer.

The School Games Finals will take place on March 2nd at the Sportspark, UEA.

Football

Huge congratulations to the Yr 5/6 Girls Football Team who took part in the County tournament last Saturday. The following report has been written by team members:

VICTORY

BECAUSE WHITE WOMAN LANE SCHOOLS GIRLS FOOTBALL TEAM HAVE WON THE COUNTY CUP THEY NOW HAVE THE OPPORTUNITY TO GO TO LONDON.

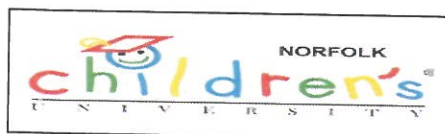

THE SCORES ON THE DOORS

1st game against Fakenham we won 3-1

2nd game was against ST Marys we won 3-0

3rd game was against Attleborough we won 4-0

Thank you Mrs Pallett FOR DRIVING US AND Mr Siddv for coaching us. Also a big well done to the team.

This weekend is the RSPB Big Garden Bird Watch. Children can take part and earn a stamp in their CU passport:

<https://ww2.rspb.org.uk/get-involved/activities/birdwatch>

All they need to do is register online for a free download pack and spend an hour watching for different birds that visit their garden. Easy peasy and helping with valuable nature conservation.

CYCLING TO SCHOOL

In order for any child to cycle to school and secure his/her cycle on the school site, s/he must have completed and passed the Cycling Proficiency Course and adhere to all safety advice e.g. wear a safety helmet when cycling to and from school. If a child has not passed the Road Safety Course as described above and fails to wear a safety helmet, then we will not allow the cycle to be on our site unless specific permission has been requested in writing and agreed by the head of upper/lower school.

TALK HOMEWORK & 'WOW' WORDS

Each week we send a Talk Homework activity and 'Wow' Words home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

The Amur Leopard was the most endangered animal in the world in 2016 with only 57 of them left on the planet.

Why do you think that animals are endangered?

How do you think we might be able to help endangered animals from disappearing altogether?

Do our individual actions help or make any difference at all or can we make no impact at all? Discuss this with your family. Maybe find out which other animals are endangered and share this with your class.

*In Big Talk, we use 'WOW' Words to improve our vocabulary and 'big up' our sentences to make them more interesting
Our 'WOW' Word this week is;*

Endangered

(Imperil, jeopardize, risk, expose to danger, leave vulnerable.)

Please encourage your child to use these words, in the right context, as much as possible.

Thank you for your support in helping your child.

STARS OF THE WEEK

Tamzin Tobias 3C

For being an absolute pleasure to teach in every single lesson. Every teacher needs a 'Tamzin' in their class!

Jonah Tibbs 3C

For working his socks off in Maths. Jonah persevered with some tricky problems! Well done.

Callum Cliff 3C

For a super start to 2017! Callum wrote a story and now has ambitions to become an author... and a footballer.

Tyler Self 3C

For writing and illustrating his own story and then presenting it to the class! Well done, Tyler.

Nicole Wright 3ST

For great effort in reading at school and at home. She even made and brought in a 'dream jar' after being inspired by 'The BFG'. Keep it up Nicole!

Monique Oulare 3ST

For always going the extra mile by continuing her learning at home. She produced fantastic notes on Ancient Egypt. Well done Monique!

Jamie Goreham 3S

For working so hard on improving his handwriting.

Logan Taylor 3S

For really challenging himself in his writing and producing some very thoughtful and interesting work. Well done!

Lucy Savage 4P

For consistency working hard in all lessons.

Jake Norman 4P

For always helping people when they need it and being a great member of 4P.

Phoebe Howard 5R

For some super question analysis and inference work in Guided Reading this week - wonderful to see that grin of satisfaction!

Macauley Gamble 5R

For impressing Mr Sutcliffe this week with his Maths efforts - shows what you can do when you really push yourself!

Connor Emery 5J

For having the mathematical curiosity we would like to see in all students. If a challenge is set in class, Connor will continue to find the solution in his own time. Keep it up.

Madi Marshall-Nichols 5J

For some fabulous contributions about forces in our science lessons.

Maisie Rayner 5C

For a remarkable interpretation of a complex painting in art.

Lleyton Ellwood 5C

For mature contributions to Michael Rosen poetry and a Michael Morpurgo novel in guided reading.

Sophie Fenwick 6H

For creating an amazing board game in science!

Tia Measures 6H

For creating an amazing board game in science!

Lauren Hailes 6Q

For producing an outstanding piece of writing during Extended Writing
