*Liam Gascoyne, Charlotte Beaumont
and Daisy Gilbert*

Sports for Schools is a competition which involves schools and communities collecting tokens for a chance to win a share of a £20,000 sports kit cash pot.

Where can I collect tokens?

Tokens will be printed in the following papers:

- Eastern Daily Press
- Norwich Evening News
- Great Yarmouth Mercury
- The Lowestoft Journal
- Beccles & Bungay Journal
- Dereham Times

When does the competition start and finish?

From Monday, February 5, a token will be printed in every edition of our newspapers up until April 14.

How do I start collecting?

Tokens will be printed every day in the EDP and Evening News and each week in the weekly publications.

There will be one token a day but watch for bonus tokens (**especially throughout half term**) and two tokens every Saturday (one token a week plus bonus tokens in the weekly publications).

Our school has registered with the scheme and we look forward to receiving your collected tokens after half term, until 14th April. Please ask your child to pass tokens to their class teacher at morning registration.

Thank you for your support and cooperation.

Important Notice

Due to a number of recent and ongoing issues we have taken the decision to no longer allow pupils to bring their scooters into school. Anyone wishing to continue to scoot to school is welcome to do so but arrangements must be made for scooters to return home with parents/carers as they will no longer be able to be stored on our school premises.

Thank you for your understanding and cooperation with this matter.

READING PROJECT

Our Reading Week will take place between 26th February – 2nd March. Our focus will be linked to Norwich's GoGo Hares project. We have many exciting things planned to promote the love of reading during our reading week.

- During Guided Reading sessions, the whole school will be reading 'The Song of The Golden Hare' by Jackie Morris.
- Lessons will use this book and GoGo Hares as their focus, giving the children opportunities to create their own writing and artwork based upon the project.
- Karl Nova will be holding an inspiring workshop on Poetry and Hip-Hop for the children on Monday 26th February 2018.
Our White Woman Lane Friends have very kindly raised money for each child to be given a clay hare to paint.

As mentioned in our Reading Week letter, we are inviting you in to join your child with this activity. See times below:

Thursday 1 st March 2018	
9:00-9:45	3C, 3ST
9:45-10:30	3S, 4G
10:30-11:15	4S, 4P
11:35-12:15	6J, 6S
1:30-2:15	5D, 5R
2:15-3:00	5QR, 6Q

If you would like to join us for this exciting art activity, please arrive through reception, sign in, and then make your way to the hall where you will meet your child.

Get Ready, Get Steady...
READ!

Starting: Monday 26th
February

It's sponsored read time

So get sponsored and get reading – the more money raised, the more books we'll have to read!

You can read anything from books and newspapers to comics and even recipes or cereal packets – it will all count towards your reading target.

More details to follow after the February half term holiday...

Dear Parent/Carer,

Your child's online safety education

Our E-safety assembly this half term was based on using new online technology safely, developing skills in resilience, self-esteem and positive attention seeking behaviour. It has been produced by the National Crime Agency's child protection education programme [Thinkuknow](http://www.thinkuknow.co.uk).

In particular the Thinkuknow educational activities introduce scenario's and reflection about 'Live Streaming'. Live streaming is the broadcasting of real-time, live video to an audience over the internet. All you need to be able to live stream is an internet enabled device, like a smart phone or tablet with a camera, and an app that has a 'Live' function, such as Instagram Live or Musica.ly.

To help support children to enjoy live streaming safely, if they are currently doing it, or for those that may be introduced to it when they start secondary school, these educational activities focus on building children's skills to know who to trust online and how to get affirmation in positive ways at home and school. These skills are important for navigating both the online and offline world.

How you can get involved

- **Schedule planned attention:** One on one time, doing something together that is largely child-directed.
- **Give personal and positive feedback to child:** focus on praising good behaviours more than focussing attention on minor bad behaviours. Specific praise to be emphasised and inclusion of emotions: i.e. You are being such a kind sister sharing the toys with your brother. You are playing with him so gently. I'm sure he feels very happy to be playing with you! Practicing this daily can demonstrate to a child what they are specifically doing well and they know what behaviour to show again.
- **Try and see the learning in mistakes**
- **Be involved in your child's internet use:** The best learning and the safest children are those who are able to share what they have been doing online with their parents.
- **Be good to yourself:** When children see us being critical of ourselves and our appearance or abilities that becomes normative for them to focus on the things they are doing wrong. It can help to notice when we are doing this and try and focus on the positives of our own lives and actions.
- **Encouraging choice and consent from an early age:** Children are socialised to do as they are told- especially when adults ask. Adults online can exploit this when chatting to children. Giving a child a choice from an early age develops their autonomy and good decision making skills. For example not forcing a child to hug a relative etc. Give them the option to be polite in another way.

Visit www.thinkuknow.co.uk/parents for information and advice to help to keep children safe online

TALK HOMEWORK

Each week we send a Talk Homework activity home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

If you were to write a book what would it be about?

Would genre would it be? Would it be fiction or non-fiction?

What would the cover look like?

What would it be called?

VOCABULARY NINJA!

Vocabulary is extremely important. It allows children to be able to make themselves understood, to understand others and to understand things that they read or hear.

Please ask your children about these words. Can they explain what they mean or use them in a sentence?

This Week's Words

<u>Grasshopper</u>	<u>Shinobi</u>
weep	irritate
tearful	ecstatic
miserable	detest
foolish	forlorn
mischief	overjoyed

 **@VocabularyNinja**

Words unlock the doors to a world of understanding...

Thank you for your support in helping your child.

School Disco- Friday 23rd February

The Friends of White Woman Lane have organised a school disco to enable our children to have fun and to also raise funds for the school.

The disco begins at 7.00pm and the children will not be let into school before then, so please ensure children do not arrive at school before this time. The main school entrance by the office is the door to use. Parents coming by car should note that, for safety reasons, the school car park cannot be used to drop children off. The Friends charge £1.00 for entrance and children can bring some pocket money to buy drinks, snacks and glow sticks throughout the evening.

- Drinks Fizzy 20p, Squash 10p
- Sweets from 5p
- Glow Sticks, Bracelets, Glasses, Bunny Ears, necklaces, pendants
all from 50p

All pupils must be collected at the end of the evening by an adult. Children leave the hall through the main entrance and we suggest you meet your children in the car park and by the main school gate. The school gate is closed so cars cannot use the car park at the end of the disco. We stagger the finish to make it a little easier to reunite parents and children as follows;

- Year 3 will leave at 8.50pm
- Year 4 will leave at 8.55pm
- Years 5 and 6 will leave at 9.00pm.

These procedures are tried and tested and have worked well in the past so we are all looking forward to an enjoyable evening for the children.
