Sports for Schools is a competition which involves schools and communities collecting tokens for a chance to win a share of a £20,000 sports kit cash pot.

Where can I collect tokens?

Tokens will be printed in the following papers:

- Eastern Daily Press
- Norwich Evening News
- Great Yarmouth Mercury
- The Lowestoft Journal
- Beccles & Bungay Journal
- Dereham Times

When does the competition start and finish?

From Monday, February 5, a token will be printed in every edition of our newspapers up until April 14.

How do I start collecting?

Tokens will be printed every day in the EDP and Evening News and each week in the weekly publications.

There will be one token a day but watch for bonus tokens (**especially throughout half term**) and two tokens every Saturday (one token a week plus bonus tokens in the weekly publications).

Please ask your child to post your collected tokens in the box situated in the schools main entrance.

Thank you for your support and cooperation.

Get Ready, Get Steady...

READ!

Starting: **Monday 26th February**
Finishing: **Friday 23rd March**

It's sponsored read time

So get sponsored and get reading – the more money raised,
the more books we'll have to read!

*You can read anything from books and newspapers to comics and even recipes or cereal
packets –
it will all count towards your reading target.*

Polite Notice

**We would like to remind all parents and carers that
dogs are not permitted anywhere on the school site, at
any time.**

Thank you for your cooperation with this matter.

TALK HOMEWORK

Each week we send a Talk Homework activity home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

Dragons Den businesswoman Sarah Willingham says children should have to do chores for pocket money.

She says kids should have to earn money from their parents by helping out, rather than just expecting it. A recent survey says that 85% of children don't have to help out to get spending money.

What do you think? Does helping out with chores help children to understand the value of money which is really important when you grow up? What chores should children be expected to help with? Should children help but not receive pocket money for doing so?

VOCABULARY NINJA!

Vocabulary is extremely important. It allows children to be able to make themselves understood, to understand others and to understand things that they read or hear.

Please ask your children about these words. Can they explain what they mean or use them in a sentence?

This Week's Words

Thank you for your support in helping your child.
