This new promotion will give primary and junior schools across the region the chance to share in £10,000 worth of LEGO Education resources, courtesy of CreativeHUT, and enjoy exclusive discounts on workshops.

Working and playing with LEGO blocks has been seen to have benefits for young learners, helping with teamwork, communication and problem-solving.

As well as encouraging creativity, working with LEGO can also put children's basic STEM (science, technology, engineering and mathematics) skills to use.

LEGO Education provides engaging, hands-on experiences students need to explore core STEM concepts and link them to everyday life scenarios in science, technology, engineering and maths.

Go to [www.creative-hut.co.uk/lego-education](http://www.creative-hut.co.uk/lego-education) for further details.

*We regularly review the market to ensure competitiveness in terms of price and quality of our sweatshirts and fleeces. All other items are available from a variety of suppliers.*

Footwear likely to damage floors should not be worn and shoes should be suitable for an active day in school and therefore high-heeled shoes or flimsy sandals are unsafe. We recommend that girls wear socks all year round, which will help to stop shoes rubbing and lessen the chance of blisters forming. Shoes with deep tread carry mud into school. No trainers, please, for general indoor wear. Trainers may only be worn as part of outdoor games kit and at lunchtime to play on the field.

For safety, no jewellery should be worn in school. If pupils have pierced ears, only stud earrings are acceptable and only one pair of earrings at a time please! No jewellery of any description should be worn during P.E. or games. As an exception, ear studs in newly pierced ears should be covered for the first six weeks after piercing with an adhesive dressing tape for safety. Please provide tape for this purpose. No earrings or studs are to be worn for swimming. The school accepts no responsibility for injury or loss associated with the wearing of earrings.

Hairstyles should also be appropriate for school and should not, for example, include slogans, logos or lines shaved into the hair or feature hair dyed with bright colours. In addition, excessive use of gel and other hair products are not permitted. Nail varnish and make up is also not appropriate for school.

Thank you for your cooperation with this matter.

## TALK HOMEWORK

Each week we send a Talk Homework activity home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Talk homework is set in Best News every Friday and will be discussed at school on Tuesday mornings. Please spend at least 10 minutes talking with your child about the words below:

# This Week's Words

## Grasshopper

**force**

**common**

**decide**

**surface**

**possible**

## Shinobi

Thank you for your support in helping your child.

## Help hedgehogs (and the environment)

We are now collecting empty crisp packets and washed out pet food pouches to raise money for Hodmedod's Hedgehog Support. There is a designated green, wheelie bin in the school courtyard which is clearly labelled for these items.

This 'rubbish' will be sent to Terracycle for recycling and the credits received will be converted into cash to help support hedgehog rescuers with much needed equipment, medication and food.

Hallwood Animal Sanctuary's hogspital in Stratton Strawless

Hedgehog Haven's hogspital in North Walsham

Hodmedod's Hedgehog Support helped fund the two hogspitals shown above as well as helping many other rescue centres throughout Norfolk. It also continues to raise awareness of the plight of our hedgehogs which are in serious decline.

Your child has been given a sponsorship card this week as our school participating in a sponsored read. This is not compulsory however if your child would like to take part then they have until 5<sup>th</sup> April to collect sponsorship for their reads! Please see your child's sponsorship card for further details or go to:  
<http://readforgood.org>

Read for Good sponsored read is a brilliant way to get reading. The money raised will help to provide much-needed books and storytellers for our nearest major children's hospital as well as funding projects that encourage children to read for fun.

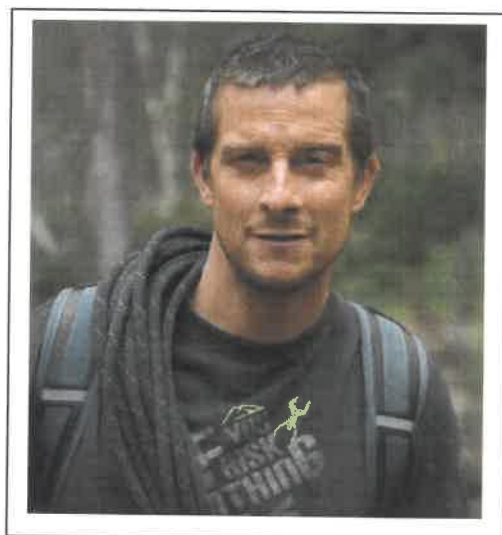

A love of reading improves a child's life beyond measure.

Visit [readforgood.org](http://readforgood.org) to see how the money raised helps.

All your child will have to do is:

- Choose what they want to read- anything you like- fact, fiction, audio-books, blogs, comics or magazines.
- Ask family and friends (never strangers) to sponsor them per book, per page, per 10 minutes. It's up to them!
- Encourage sponsors to pay online at [readforgood.org](http://readforgood.org)
- Hand in any cash or cheques to the school along with the completed card which will be handed out in classes.

**Our school will receive free books worth 20% of your sponsorship and we could also be in with a chance to win a visit from children's adventure author, Bear Grylls!  
Have fun and thank you!**
