*Harry Hammond and Corey Lucas*

## Active Kids Vouchers

Rally the community, every voucher counts

Active Kids vouchers can no longer be collected from Sainsbury's, BUT they can still be donated to our School until 30 June. Remember, every voucher counts towards brand new sports equipment, and experiences.

Get the kids to look in the car, on the fridge, under the sofa and in every old shopping bag for any missing vouchers!

A collection box is situated in the reception area. For more information please see:

**activekids.sainsburys.co.uk**

Good luck with the voucher hunt.

## Travelling Book Fair visit to WWLS

From Monday next week (15<sup>th</sup> May), "The Travelling Books Company" will be delivering a range of fantastic children's books for each class to view and purchase. You can look at the range at [www.travellingbooks.co.uk](http://www.travellingbooks.co.uk). Please view the leaflet your child has brought home with them as there is also a '3 for 2' offer. We also gain chances to buy new books for the school with each purchase that is made.

Parents can buy "Pre-paid vouchers" online for their children to spend at the Book Fair. Please go to: [www.travellingbooks.co.uk/parents](http://www.travellingbooks.co.uk/parents)

Some vouchers are to be won in school for impressive reading diaries in classes across the school!

The fair will take place Monday 15<sup>th</sup> to Thursday 19<sup>th</sup> May inclusive, between 3:30 and 4:00pm. Children will also have the opportunity to view the books with their class at a time during the school day.

We look forward to seeing you there!

## GOGO Hares!

Further to last week's report about our school helping with the launch of the GOGO Hare's 2018 project please go to the following link (also available via our website) to see the Mustard TV coverage, filmed at our school!

## YEAR 6 END OF KEY STAGE 2 TESTS

**Well done Year 6!**

We were extremely pleased and impressed with the focussed and mature way you approached your tests this week. It was also lovely to have so many of you join us for breakfast. All we can do now is wait for the results.

In the meantime there is still much to learn, experience and enjoy at WWL - you have Whitlingham week to look forward to and the upper school performance to prepare for example. Make the most of your last half term at WWL and all the opportunities it will offer you.

## WWLS INSTRUMENTAL CONCERT - WEDNESDAY 10<sup>TH</sup> MAY

This week, nearly 50 children who take part in instrumental lessons before or after school, took part in a wonderful concert to show off the progress they have made. Keyboard players (led by Miss Franklin), guitarists (led by Mr Maynard), wood wind players (led by Mr Youngman) and drummers (led by Mr Davison) performed various pieces from their lessons and all who were there agreed that the talent on show was breath-taking!

Many thanks need to go to all the children for their hard work and bravery to play in front of an assembled audience. Also, a huge thank you to the instrumental tutors for all their dedication and encouragement.

It really was a wonderful evening and we already look forward to organising the next one!!

Mr Reeve (Head of Music)

### **CONGRATULATIONS !**

Last weekend, Mr Dunn travelled down to Crawley with his korfball team, Norwich Knights, to take part in the Grand Final. This semi-final and final were played by the top four korfball teams in England. The Knights played amazingly and finished 2nd in England!

# TALK HOMEWORK & 'WOW' WORDS

Each week we send a Talk Homework activity and 'Wow' Words home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

## **SATS!**

*So this week was SATs week (in case you didn't know!) I would like you to discuss at home how you feel about SATs. Are the tests important? Do you feel that they are fair? If we didn't have them how would we measure how well schools perform? Can you think of other measures that we could use? Talk to your families at home and see what they think too.*

*In Big Talk, we use 'WOW' Words to improve our vocabulary and 'big up' our sentences to make them more interesting  
Our 'WOW' Word this week is;*

## **Assessment**

*(evaluation, judgement, gauging, rating, estimation, appraisal, opinion, analysis.)*

*Please encourage your child to use this word, in the right context, as much as possible.*

Thank you for your support in helping your child.
