Dates for Your Diary:

Weds 20th Last day of term and this academic year!

Fri 2nd September Assertive Mentoring meetings

Monday 5th September - Autumn term begins

HOUSEPOINT TOTALS

Buckingham	(Green)	216	Total - 67
Balmoral	(Blue)	251	Total - 95
Sandringham	(Yellow)	149	Total - 71
Windsor	(Red)	228	Total - 107

Congratulations to **Balmoral** this week!

THE ATTENDANCE CUP

Was awarded to
5B

With attendance of **98.95%**
 For the week 27th June - 1st July
 2016

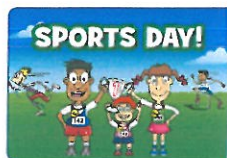

GOLDEN BOOK AWARD

Congratulations to the following pupils for providing us with 'WOW' moments and for being entered into our Golden Book;

Connor Emery, George Potter, Zach Pye, Ella Ramm, Year 5 -
Set 3 Literacy, Chren Towers, Hayden Thompson and Kieran
Brown

School Sports Day takes place on Tuesday 12th July at 9.30am (bad weather back up day 15th July). All parents are welcome to come and watch although unlike our Circular Sports event, not all children will be competing as selected children will be representing their Houses in each event.

LIBRARY AND STAGE BOOK AMNESTY

Please check to see if you have any Stage or Library books at home and return them to school ASAP. No questions asked, we just need them back on the shelf! This will be extremely helpful as we will be undertaking a stock check in July.

Thank you for your cooperation.

For your chance to win £100 worth of book tokens to spend yourself plus £5000 for the school please go to:
<http://www.nationalbooktokens.com/schools>

Uniforms

We will be increasing the prices of uniform sold in school from 1st September 2016. The new prices are as follows:

Sweatshirts: £9

Cardigans: £10

Fleeces: £12

Items are available from the school office Mon- Fri 8.30am – 4.00pm

TALK HOMEWORK & 'WOW' WORDS

Each week we send a Talk Homework activity and 'Wow' Words home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

In assemblies we have been talking about perseverance, in particular in relation to sports. We have heard stories about Kelly Holmes, the Oxford and Cambridge boat race, Wimbledon and even Mrs Connelly running the London Marathon! I would like you to talk to your families about perseverance. What does it mean to you? Can you think of a time you have persevered and it has paid off? What about the other members of your family? Do they have experiences they can share with you that demonstrate perseverance?

**PERSEVERANCE:
IF AT FIRST YOU
DON'T SUCCEED,
TRY, TRY AGAIN**

*In Big Talk, we use 'WOW' Words to improve our vocabulary
and 'big up' our sentences to make them more interesting
Our 'WOW' Word this week is;*

Tenacity

*(persistence, determination, resolve, resolution, resoluteness, staying power,
purposefulness, firmness of purpose)*

*Please encourage your child to use this word,
in the right context, as much as possible.*

Maths App of the Week!

Parks (Andrea Sabbatini)
A logic puzzle game with a
number of levels that increase

Very well done to all the children who graduated with the Children's University over the last couple of weeks. We are really proud of all 150 children who attended one of three Graduation ceremonies in and around Norwich and it is fantastic to see that the children have participated in so many different activities, both in and out of school, to earn their various graduation rewards.

Children were given gowns and a mortar board to wear and were invited onto the stage to receive their certificates in front of huge audiences of parents, children and school staff. The Children's University team have been incredibly busy organizing many different events in different locations this year and we are sure they will all agree that the activity taster sessions offered as part of their graduation day were also very enjoyable!

A huge thank you to Mrs Woodhouse for coordinating the Children's University at WWL. Without her enthusiasm and commitment (and nagging for the passports) I'm sure we wouldn't be taking as many children as we do.

And on that note...A message from Mrs Woodhouse!

"Please can ALL children hand in their passports next week for updating. All children who graduated recently will receive one credit. Year 6 children need to get their Whitlingham and upper school show hours added so I can send the total hours to the relevant High Schools. Thank you" Mrs Woodhouse

Pupil report

On Thursday the 30th of June 2016, White Woman Lane took some year 6 pupils (and 1 year 5) to the great hospital to graduate. This was a very special occasion because we all took part in something.

We left school and travelled by coach to the great hospital where we graduated and we had a wonderful time. We all got a Certificate, which we were all proud of.

Amber was our first post-graduate, everyone was very proud of her. She wrote a speech and read it out very well and very bravely. Here is her speech:

My name is Amber and I am a pupil at White Woman lane school. I have been doing children university for two and a half years and I am now a post-graduate. Children`s university has encouraged me to get involved in a wide range of activities including dance club, guides ,helping at beavers and playing korfball. Doing this scheme has given me a sense of pride in my achievements and abilities, has developed my confidence and has made me challenge my boundaries by doing things I never thought I could do. I have

enjoyed meeting students from other schools at the graduation ceremonies. We are like one big family. My favourite moment was when we graduated last year we got to throw our hats in the air If anyone asked whether children university was a good thing or not I would say go for it because you might be surprise of what you can achieve or do.

Many people got a chance to participate in what they are good at like: Drama ,singing, Dancing, Speeches and sports demonstration and more.

STARS OF THE WEEK

Katy Youngman 3S

For behaving perfectly in all lessons, and trying your hardest.

Lewis Roberts 3S

For working really hard in Science and impressing me with your knowledge of light and shadows.

George Gladden 3C

For trying hard to improve his writing. George used interesting sentence openers and cursive handwriting. Well done!

Henry Mann 3C

For an amazing try at recreating Van Gogh's 'Sunflowers' using watercolours. Great work Henry!

Charlotte Beaumont 3B

For super Maths every lesson. You always work hard to achieve your best.

Evie Craven 3B

For always working hard and for being a super help to Mrs Brooks on the trip to The Open.

Joshua Dobson 3B

For good thinking about creating survey questions in an ICT lesson.

Gracie Britcher 3B

For good participation in lessons and for being a kind and helpful member of 3B.

Annalisa Ortiz 4P

For an excellent piece of story writing in English.

Liam Barnes 4P

For working well in all lessons and trying to achieve his targets.

Ruby Farrow 4S

For making a real effort to improve your literacy skills. You have acted upon feedback with a positive attitude.

Matthew Clarke 4S

For pleasing progress with your Maths problem solving skills.

Holly Tarragan 5G

For showing a great level of maturity during class PSHE discussion.

Anya Aldous 5G

For scoring the highest reading score in 5G in recent reading tests.

Erin Balls 5QR

For taking brilliant initiative and writing answers in full sentences in Spanish. Outstanding!

Sophie Fenwick 5QR

For brilliant comprehension work in Guided Reading. Well done.

Lola Towers 6Q

For designing great original new species of dinosaur in Science.

Chloe Turley 6Q

For designing great original new species of dinosaur in Science.

Molly Albrow 6B

For always being so thoughtful and helpful around the classroom.

Kaleb Neil 6J

For showing honesty and turning his attitude around in his Maths lessons.

Emilie Brown 6J

For writing a scene of 'Pig Heart Boy' out as a script and then performing it with confidence to the class.

Alisha Bell 6J

For writing a scene of 'Pig Heart Boy' out as a script and then performing it with confidence to the class.

Summer Holiday Challenges

This school holiday you can earn lots of stamps by completing our adventurous Summer challenges! You can do as many or as few as you like - just keep your evidence in a scrapbook or folder as a record of your learning.

Challenge 1 - Can you make an indoor or outdoor den? (1 credit)

Using old clothes, towels and bedding or even natural materials you can find outdoors, create your own den. Give your den a theme - will you create a castle, a house or even a laboratory?

Challenge 2 - Sleep outside and make a diary entry (written or video) about your experience (1 credit)

Using your den, a tent or even just some blankets, create a space to sleep outside for the night. Make a video diary or written diary about your experience.

Extra Challenge (1 credit): **adult supervision only** - Plan a meal or snack to cook outside using a camping stove, BBQ or a safely made fire.

Challenge 3 - Use recycled materials to make something new (up to 3 credits)

Glue together old plastic bottle caps to make a bag (glue gun recommended) or make an igloo using used milk bottles.

For this challenge, you can use any recycled materials to create something brand new - don't forget to send us your photos of your creations!

Challenge 4 - Plan to hold your own garage or car boot sale (up to 3 credits)

Create price labels (using mathematical symbols and decimal points for money correctly) and posters to advertise the items you have for sale. At the sale, use your biggest voice to encourage buyers to buy your goods - you might even create rhymes and songs to help you! At the end of your sale, count up the money you have earned and record the grand total somewhere special.

Challenge 5 - Complete Norfolk Library Service's Summer Reading Challenge 2016 (multiple credits available)

Visit <https://www.norfolk.gov.uk/libraries-local-history-and-archives/libraries/whats-on/summer-reading-challenge> or pop into any Norfolk Library for more information.

Challenge 6 - Make a nature themed cake (2 credits)

Draw a design for your cake and write out the recipe (with help from an adult if needed). Recipes should include a list of ingredients and numbered instructions about how to make the cake. You may want to use a cake recipe you can find and adapt it.

Make your cake and decorate it with a nature theme! Eat it up and enjoy!

Challenge 7 - Celebrate the Olympics this Summer and hold your own! (up to 2 credits)

Design your very own Olympics day/afternoon for family and friends!

Find out about which sports are included in the Olympics this year. Plan 4-8 separate events and use the park or your garden to set them up. Be creative about the props you use to create each mini competition.

Draw out a large score board - think about how you can use heats and finals to decide who the final winner for each event will be. Extra challenge (2 credits) - Plan Brazilian themed food or entertainment for after the games!

To get your passport stamped, take evidence of all your hard work into school after the half term break. If you joined the Children's University through the Library service, take your completed evidence form to your local library and they will issue you with stamps.

Here at Norfolk Children's University, we love seeing what you have been learning so please share photos of your challenges via our Facebook and Twitter pages or email us at cs.norfolkchildrensuniversity@norfolk.gov.uk

UPPER SCHOOL PERFORMANCE 2016

DR WHAT

&

THE OLD DEAR FROM PLANET HELL

As you are probably aware, the pupils in the upper school have been preparing for the above named performance. The actual date of the performance is Monday 18th July, (full dress rehearsal is Friday 15th July).

Please note that if your child is an onstage actor or performer they will have already been advised what to wear.

The remainder of the year group will make up the bulk of the choir. I would like to ask that each member of the choir wears simple, dark clothing (try to avoid heavily logoed attire). Each pupil will also be required to make a rat puppet out of a black or grey sock. This will be completed at school however if you have any odd socks, then a contribution would be most welcome. The pupils will also be making 'Cyberman' head masks at school early next week.

We are also looking out for the following prop items; a 60s or 70s style floor standing lamp, any unusual looking lava or fibre optic lamps and any retro looking fabrics and cushions. All items will be safely returned.

Thank you for your continued support. If you have any queries, please do not hesitate to contact me at school.

Mr RD Queensborough
