FRIENDS OF WHITE WOMAN LANE SCHOOL

Huge thanks to FOWWLS for organising and everyone who supported this year's summer BBQ.

Together we raised a whopping **£2648.24**. Amazing effort by all involved resulting in another very successful and most enjoyable event.

A special well done to Katie Labon, Amber Cresswell, Molly Albrow and Lillie Whipps, who independently from FOWWLS, organised a Tombola stall raising £76 towards the overall profit. Fantastic work girls!

Head lice

Please be aware that some pupils in year 4 have had episodes of head lice over the last week. Please check your child's hair and if head lice are detected the following 'Wet combing' method is usually recommended

Wet combing

- Wash the hair with ordinary shampoo and apply plenty of conditioner.
- Use an ordinary, wide-toothed comb to straighten and untangle the hair.
- Once the comb moves freely through the hair without dragging, switch to the louse detection comb.
- Make sure the teeth of the comb slot into the hair at the roots, with the edge of the teeth lightly touching the scalp.
- Draw the comb down from the roots to the ends of the hair with every stroke, and check the comb for lice each time – remove lice by wiping the comb with tissue paper or rinsing it.
- Work through the hair, section by section, so that the whole head of hair is combed through.
- Do this at least twice to help ensure you haven't missed any areas, until no more lice are found.

Repeat this procedure after five, nine and 13 days

Match Reports

Success at the National Youth Day Korfball Tournament, Cambridge

Well done to all the players who took part last Sunday – Joe, Jack and Sienna from Year 6 played in the Dragons KC Under 11s team, and George, Jack (Year 4) and Eva (Year 3) played in the Dragons Under 9s team. The Under 9s scored many amazing goals despite the very windy conditions. Unfortunately, their first match was against the Tornadoes team (who went onto win the U9s) but they did not let their heads go down and came back fighting in the next 2 games. Dragons U9s (all 5 players were playing in this tournament for the first time) improved their play throughout the day and came 7th out of 21 teams.

Most of the Dragons Under 11s included players from the Norfolk A and B teams which have been so successful this year so hopes were high in this age group. All players did so well in defence with only one goal scored against them all day; in attack they did a tremendous job of keeping possession of the ball, collecting the ball after each other's shots and showed fantastic team play.

Results of the Dragons Under 11s matches:

Milton Keynes 2	2-0	Lucy, Sienna
Milton Keynes 1	3-0	Zach 2, Jack
Sprowston	2-0	Leah, Sienna
Tigers	2-1	Zach, Callum
Queen Edith Primary	1-0	Jack
Avenues	0-0	

The 0-0 draw with Avenues (who had already drawn one of their matches) was enough for the Under 11s to clinch the gold medals as 2 wins and a draw meant that with 5 points from the afternoon's group matches Dragons could not be beaten! It was the first time Dragons has won that age group at National Youth Day – a very proud occasion! It has been an absolute pleasure coaching these players this year – they have listened, learnt so much about the game and show fantastic Korfball skills for their age – thank you.

Thank you as well to the parent supporters who helped make it another great day for Korfball.
