For the week 1st - 5th October 2018

Friday 12th October 2018 - School Disco

The Friends of White Woman Lane have organised a school disco to enable our children to have fun and to also raise funds for the school.

The disco begins at 7.00pm and the children will not be let into school before then, so please ensure children do not arrive at school before this time. The main school entrance by the office is the door to use. Parents coming by car should note that, for safety reasons, the school car park cannot be used to drop children off.

The Friends charge £1.00 for entrance and children can bring some pocket money to buy drinks, snacks and glow sticks throughout the evening.

- Drinks Fizzy 20p, Squash 10p
- Sweets from 5p
- Glow Sticks, Bracelets, Glasses, Bunny Ears, necklaces, pendants all from 50p. Pocket Money toys from 50p.

All pupils must be collected at the end of the evening by an adult. Children leave the hall through the main entrance and we suggest you meet your children in the car park and by the main school gate. The school gate is closed so cars cannot use the car park at the end of the disco. We stagger the finish to make it a little easier to reunite parents and children as follows:

- Year 3 will leave at 8.50pm
- Year 4 will leave at 8.55pm
- Years 5 and 6 will leave at 9.00pm.

These procedures are tried and tested and have worked well in the past so we are all looking forward to an enjoyable evening for the children.

TALK HOMEWORK

Each week we send a Talk Homework activity home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Talk homework is set in Best News every Friday and will be discussed at school on Tuesday mornings.

Please spend at least 10 minutes talking with your child about the question below;

This Week's Words

Grasshopper

presentable

nervous

emotion

friend

proud

Shinobi

grotesque

adjacent

dwindle

unkempt

fastidious

Vocabulary Ninja

'Words unlock the doors to a world of understanding'

Thank you for your support in helping your child.

STARS OF THE WEEK

Keiran Clarke

For fantastic contributions to our myth stories.

Blake Appleby

For fantastic work and effort across all lessons.

Emmy-Marie Russen

For being so hardworking in every lesson. Emmy listens carefully and tries her best for every teacher. Well done!

STARS OF THE WEEK

Ivy Rosser

For creating beautiful description when writing a poem about autumn. Great work, Ivy!

Macy Yallop

For her fantastic effort on Spelling Shed and continuous excellent behaviour. Keep it up, Macy!

Elizabeth Denny

For her incredible perseverance. Elizabeth puts 100% into her learning tasks and does not give up until she has produced her best work. Well done, Elizabeth!

Coral Parker

For being a 3S superstar! Coral works hard in every lesson, helps others with their work, shares her ideas happily and does it all with a big smile on her face! What a great attitude!

Tyrell Tobias

For being a kind member of 3S. He always tries his hardest in lessons and works well with other children. Great work, keep it up!

Teo Oulare

For lighting up the class with his smile and always being ready to learn.

Jess Sartain

For making excellent contributions in all lessons.

Lola Bootyman

For her sheer determination in maths.

Iwan Cooper

For an excellent range of vocabulary in Literacy.

Trixie-Belle Brickley

For a great effort in maths, and fantastic listening skills in everything! Well done!

Kieran Winhall

For constantly trying to challenge yourself in maths, and always going that one step further. Great work - keep it up!

Seth Queensborough

For showing great enthusiasm in lessons and for sharing excellent responses to questions in all lessons.

Abbi Clarke

For always volunteering detailed answers and showing great enthusiasm in all lessons.

Ellouise Russen

Ellouise displayed genuine enthusiasm for fossil hunting at West Runton beach and applied herself to the task like an undergraduate palaeontologist.

Ahmet Oz

Simply for his 'matter-of-fact' retelling of his epic road journey to Ankara in Turkey.

NORWICH SCHOOL

Year 5 Children and Adults Mathematics Taster Sessions 2018-19

Free Mathematics Masterclass for Year 5 Children and Adults

*Norwich School Blake Studio
Saturday 3rd November
10:00am – 12:00pm*

You are warmly invited to attend the Mathematics Department at Norwich School for a two hour session of mathematical thinking, curiosities and interests. The session is designed to make you think by showing something that is intuitively unexpected or remarkable in its own right whilst expanding the breadth of what you know. It is expected that both parents/carers and children will take part in the session together. In this first session (of six), our aim is to consider the times table in a circle, debunk a simple mathematical magic trick and the solve the famous “1089” problem.

An exciting opportunity for Year 5 children to explore key mathematical concepts with their parents/carers, with expert guidance from Norwich School Maths Department

PATRONS

We're honoured to have fantastic patrons for 2018:

MARK THOMPSON:
astronomer, broadcaster
and author

BEN GARROD: great ape
conservationist, evolutionary
biologist and broadcaster

“It's a great honour to represent the Norwich Science Festival as their new patron. I've been involved since it started and am proud to be a Norfolk scientist. A festival like this not only showcases the very best that our local scientists have achieved but offers the opportunity for every member of the public to learn something new and share in the wonder of the world around them.”

Ben Garrod

BOOKING INFORMATION

Many events are bookable and have limited capacity, so early booking is advised.

Most events can be booked via norwichsciencefestival.co.uk but some events are booked through our partners – please check each event listing for booking information.

Many exhibitions, events and activities at Norwich Science Festival are FREE. The Forum and our partners have kept prices for paid events as low as possible. Ticket income is used to cover the costs of bringing high-profile shows and speakers to Norwich and to fund free Festival events.

Concession tickets are available, where specified, for events booked via norwichsciencefestival.co.uk children under 16, adults aged 60 or over, students in full-time education, Go4Less card holders, those on Income Support, registered disabled and registered carers. Please bring proof of eligibility to the event.

Most events are suitable for all ages, unless specified. We have included approximate age guidance where possible, to help you make the most of your visit.

Please bring your printed ticket or email confirming your booking to the event. Please note that photography/filming will take place during Festival events – please notify a Festival event team member if you do not wish to be included.

All events are subject to change but are correct at time of printing – for up-to-date listings please see norwichsciencefestival.co.uk.
