and for being entered into our Golden Book;

*Matthew Clarke, Isobel Fare, Ruby Harris, Phoebe Mears, Evie Munday, Emil Oulare,
Thomas Sartain, Liberty Millins, Gus Jefferson, George Howes, Brandon Clarke, Josh Day,
Harry Parker, Connor Howard, Joshua Hill,*

School closures in adverse weather

Many schools face difficulties as a result of adverse weather, particularly during periods of very low temperature and heavy snow. I am sure that you acknowledge that it is a difficult decision that sometimes has to be made as to whether to temporarily close the school for safety reasons and it is never a decision that is taken lightly.

In some circumstances closure is unavoidable, for example where there would not be enough staff on school sites to ensure pupil safety or the school site cannot be cleared sufficiently to be safe for all who attend the premises. We also have to take into account the travelling conditions and risk assess whether pupils, parents and staff can travel safely to and from school.

Information regarding whether White Woman Lane School is closed and a list of all schools which are closed can be found on the website www.schoolclosures.norfolk.gov.uk. As well as publishing the information on the web, Norfolk County Council will also highlight closures on our [Facebook](#) and [Twitter](#) channels, using the hashtag [#norfolkwinter](#).

In a situation where there has been snowfall and our school is open, pupils will only be allowed to play outside, at lunch and break times, if they have suitable clothing and footwear i.e. Wellingtons/snow boots and warm clothing and overcoats.

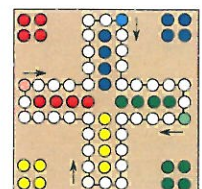

BOARD GAMES

(Message from The School Council)

The school council need any inside games that children can play with during wet playtime. We have a lack of games that children can play with at wet break and lunch and children have been complaining that it is getting a bit boring. The school would be very grateful if you brought in any old games from home that are still in good condition and include all of the pieces.

Thank you!

TALK HOMEWORK & 'WOW' WORDS

Each week we send a Talk Homework activity and 'Wow' Words home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

British astronaut Tim Peake said that he was most looking forward to the view of planet Earth from space during his mission to the International Space Station. Tim has been training for his mission for more than 28 months. He will be on board the ISS for around 173 days, doing lots of different science experiments.

Would you like to follow in Tim's footsteps and blast off into space? If you had the opportunity to go into space would you want to go? What would you most like to do while you were there? What do you think it would be like? Do you think that going into space will ever be just as easy as going on an aeroplane on holiday? Maybe one day we will holiday on the moon?! Do you think that space tourism would ever "take off"?

In Big Talk, we use 'WOW' Words to improve our vocabulary and 'big up' our sentences to make them more interesting!

Our 'WOW' Word this week is:

Exploration

(investigation, study, survey, research, search, inspection, probe, examination, enquiry, scrutiny, observation, consideration, analysis, review.)

Please encourage your child to use this word, in the right context, as much as possible.

- The 'Talk Homework' and 'WOW' words will be set every Friday in the newsletter; children will then share their 'Talk' with their class on a Tuesday morning.
- We will encourage the children to use the WOW word throughout the week.

Thank you for your support in helping your child.

Maths APP

The best telling time app on the app store!
Telling Time Free is an app designed for people of all ages. It's great for adults or anyone else looking for a brain training exercise. Telling Time Free is the only telling time app that has over 700 different clock values

STARS OF THE WEEK

Charlie Wells 3S

For making a real effort with his reading. Fantastic, keep it up!

Angel Griggs 3S

For trying really hard in Maths and making great progress with fractions.

Nicholas Coe 3B

For participating in Literacy lessons, independent writing and good work on column addition in Maths.

Daniel Gaskin 3B

For working hard on column addition in Maths and for good work on similes in Literacy.

Libby Croydon 3C

For gaining confidence when dividing large numbers. Well done!

Harley Clabburn 3C

For making a real effort to improve his handwriting. Keep it up!

Pierce Saunders 4P

For a truly spectacular piece of 'up levelling' English work.

Dylan Carey 4P

For excellent progress in his reading. Well done Dylan!

Lauren Minns 4SR

For trying really hard in English and for listening well.

Cameron Fredrick 4SR

For being a Super Scientist and really helpful for Mrs Semmens-Byrne.

Kimberly Clarke-Banham 4S

For being a kind friend; this was shown when she created model cars for a friend in her own time.

Danny Cresswell 4S

For really impressing Mrs Howard with your excellent cursive handwriting.

Harry Hammond 4S

For really impressing Mrs Howard with your excellent cursive handwriting.

Olivia Stevenson 5G

Working diligently with handwriting. Her effort is showing in her work.

Corey Lucas 5G

Working diligently with handwriting. His effort is showing in his work.

Daisy Wigger 5G

For being such a help around the classroom and being so smiley.

Chloe Jayne Copsey 6J

For excellent work in Science. Chloe made some excellent observational drawings of the leaves we looked at.

Ammar Hameed 6B

For always sharing great facts and contributions in all lessons.

Connor Walsh 6B

For super work and understanding on decimals, percentages and fractions.

News From Norfolk Museums

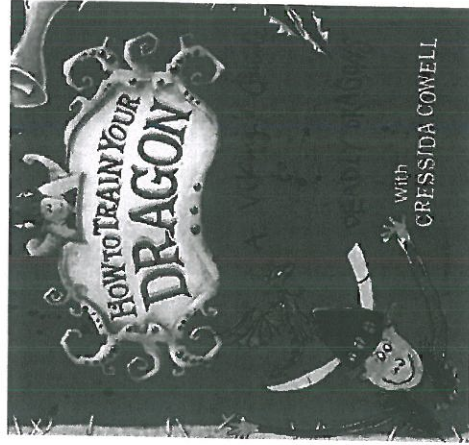

Exciting New Exhibition at Norwich Castle

A Viking's Guide to Deadly Dragons
Saturday 6 February -
Monday 30 May

This spring Norwich Castle goes back to the Dark Ages with a special exhibition from Seven Stories, The National Centre for Children's Books, based on Cressida Cowell's hugely popular **How to Train Your Dragon** books.

Be transported to a world

where Vikings rule and dragons roam. See the author's notebooks, get up close to her original illustrations and watch filmed interviews. Enjoy creative play, dress as a Viking, visit the Hooligan village and wild dragon cave and find inspiration for all sorts of literacy and other work.

Norfolk Libraries Big Storytime - Sprowston Library, Saturday 6 February
 11.00 - 11.45

Come along and listen to an exciting chapter from Cressida Cowell's series *How to Train Your Dragon*.

Celebrate National Libraries Day and the Castle Museum exhibition:

A Viking's Guide to Deadly Dragons

an exhibition from
seven stories

Saturday
06 February
11:00 - 11:45

Illustrations © Cressida Cowell

Join us at 11:00 for a big Norfolk story time at your local library - listening to an exciting chapter from Cressida Cowell's series *How to Train Your Dragon* - followed by a National Libraries Day competition and other activities.

All children must be accompanied by an adult.
