Dress up day....

On Friday 4th May (Star Wars Day!) children and staff are invited to dress up as their favourite Star Wars character with the purpose of raising funds for Finnbars Force.

Cash donations will be gratefully received and can be handed in at

registration to your child's class teacher. Please note that both dressing up and donations are entirely voluntary however we do ask that those choosing not to dress up come to school in their normal school uniform.

Sports for Schools is a competition which involves schools and communities collecting tokens for a chance to win a share of a £20,000 sports kit cash pot.

Where can I collect tokens?

Tokens will be printed in the following papers:

- Eastern Daily Press
- Norwich Evening News
- Great Yarmouth Mercury
- The Lowestoft Journal
- Beccles & Bungay Journal

Please ask your child to post your collected tokens in the box situated in the schools main entrance.

Thank you for your support and cooperation.

! Extended !

There will be 10 tokens in the Norwich Evening News on April 24 and in the EDP on April 25.

The Nebula Partnership

Thank you to all who supported our end of half term disco including all staff and members of 'FOWWLS' who gave up their time to make this event happen.

Together we raised £314.28

TALK HOMEWORK

Each week we send a Talk Homework activity home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Please spend at least 10 minutes talking with your child about the questions below;

This week I would like you to talk about the seasons. Which season is your favourite and why? Which time of year do you look forward to the most and why? What memories do you have about the different seasons we experience? Do all the people in your family like the same season or do you differ in your choice? Ask the adults at home to talk to you about their favourite season and what memories they have of it from when they were your age.

Thank you for your support in helping your child.

The sun is out! Please ensure that your child has sun protection cream on or with them and a water bottle at school each day during the warmer weather so that your child can have regular drinks of water throughout the day to keep cool and hydrated. Also, try and get your child into the 'Hat Habit' - a broad brimmed hat on children is best, even better is a hat which also has a flap down the back.
