## Our core values

The focus of RE teaching at White Woman Lane is to enable children to hold religiously literate conversations about a range of religions and worldviews in a safe and open environment. The school's values are integral to all our RE teaching. Conversations are rooted in a mutual tolerance and respect. This equips children with the ability to show **Kindness** for another's views despite the differences we discover. By debating core religious texts and stories, Children are taught to apply their **Wisdom** when presented with difficult spiritual, moral and philosophical questions. Children are challenged to demonstrate **Courage** while explaining, justifying and defending beliefs. Through exploring religious festivals and practices children are left with a **Vision** and **Hope** for a brighter future.

### NOTE FOR TEACHERS

USE QUESTION STEMS FROM KS1 OR EARLIER YEARS IF YOU FEEL THE CHILDREN AREN'T READY FOR THEIR EXPECTED YEAR GROUP'S USUAL QUESTION STEMS.

**We understand RE as a multi- disciplinary subject:**

In our curriculum RE is rooted in three disciplines. These are theology, philosophy and the human/social sciences, the latter of which is a collection of disciplines. Our progression map shows how skills within each of these disciplines are developed across the key stages.

**RE in EYFS will prepare children for the multi-disciplinary approach.**

**Pupils being to explore the world of religion and belief in terms of special people, times, places and objects, as well as visiting places of worship. Pupils listen to, and talk about, religious stories which may raise puzzling and interesting. They are introduced to specialist words and use their senses in exploring religious beliefs, practices and forms of expression.**

**Christianity and at least one other religion, religious belief or worldview**
