20th April 2020

Home working update

At the start of the new Summer Term, we will be producing weekly tasks/activities on our website for children in each year group. These do not require printing and can all be completed online, and the children's answers will go back to their teachers so that they can see how they are doing. New content will go on weekly so please feel free to check each week to see what new material there is for your child.

To access this, please look in your child's year group section on our website:

<http://www.whitewomanlane.norfolk.sch.uk/work-pack-march-2020/>

In addition to this, there are fantastic daily video lessons and activities available for children in each year group for a variety of subjects in both of the following places if you would like more work for your child:

<https://www.bbc.co.uk/bitesize/levels/zbr9wmn>

<https://www.thenational.academy/>

As always, reading or practising times tables with your children are the most valuable skills.

All of these are available as OPTIONS to allow your child to continue with their learning. Please do not feel any pressure to be constantly completing work with your children; the mental well-being and happiness of your family is the most important thing at the moment.

Thank you to all of you for your support.

Mr D. Richmond

Head of Upper School
