# TALK HOMEWORK

Each week we send a Talk Homework activity home and we would be very grateful for your support.

We are trying to help all our children develop excellent speaking and listening skills, which in turn will help them with their writing. "If a child can't say a sentence then they can't write it either!"

Talk homework is set in Best News every Friday and will be discussed at school on Tuesday mornings.

Please spend at least 10 minutes talking with your child about the question below:

## This Week's Words

### Grasshopper

**expert**

**fumble**

**glum**

**hollow**

**selfish**

### Shinobi

**robust**

**bland**

**carefree**

**embellish**

**envious**

### Vocabulary Ninja

Dear Parents/Carers,

Your child has been invited to take part in the Norfolk Children's University. The scheme recognises and rewards children for all the voluntary learning they do out of school time. Children will take part in validated activities both in their school (lunchtime and after school clubs) and on school and family trips to recognised learning destinations across Norfolk and the country. Currently, at White Woman Lane we offer over 25 activities which have been validated and can contribute towards the children's learning hours for their passport.

Participation in the scheme will encourage children to take part in a wide variety of learning opportunities, it will give families great ideas for places to visit at weekends and in the holidays, it will give children a greater understanding about higher education and will encourage children to start thinking about their future aspirations.

The cost to take part in the scheme is £7 per child, and for this children will get a passport to learning, regular updates on events at local learning destinations and school based Children's University activities, certificates to reward their participation and once children have collected 30 hours (or more) of learning in their passport, they will be invited to a special Graduation Day at the University Of East Anglia, which parents can also attend. This is a special way of saying well done to the children for their learning and we hope that the famous Chancellor of Norfolk Children's University, Mr Louis de Bernieres, will be there to meet the children at these special Graduation days.

We would like ALL our children to participate and to this end we are offering a subsidised rate of **£1.50 per child** this year.

If you would like your child to be part of The Norfolk Children's University, please sign the form attached and return it to the school office in a sealed envelope, addressed to Mrs Woodhouse, which should also contain **£1.50** as a contribution towards the cost of the joining fee and the passport.

For more information you can speak to Mrs Woodhouse, who is the Children's University manager in our school.

Yours sincerely,

Ashley Best-White  
Executive Headteacher
