

THE FRIEND'S LODGE

OLD CATTON AND WHITE WOMAN LANE FEDERATION

Time for You

Time for You is a dedicated service offering support, advice and guidance for children and young people. This service is age specific, confidential and is delivered by highly skilled staff. We will work with children and young people on a one-to-one basis or within a small group setting depending on individual needs. Our staff team adheres to Child Protection legislation at all times and are all fully DBS checked. Primarily we work within settings such as schools and children's centres and all sessions are tailored to the individual needs of each client. Time for You is not a time limited service; we will offer support to the child or young person for as long as it is needed. The main focus of our work is to nurture and support the child or young person but we find the positive effects of this are often seen within the family unit and in the school setting. By strengthening the emotional and social well-being of the young person or child, they will have a better chance of solving their problems more successfully in the future.
