PE Reminders

With the weather getting colder and trying to keep games lessons outside as much as possible, could you please make sure that your children come to school with their regular PE kit (shorts and house coloured t-shirt) along with a spare jumper/hoody (not a school jumper), tracksuit bottoms and spare socks (essential if feet get wet whilst on the grass). Please also make sure that your child always has a spare pair of trainers kept at school for outside use.

Kind regards,

YEAR 6 IWM DUXFORD VISIT

Last Friday, Year 6 visited IWM Duxford as part of their study of WW2 in History. It was a long day, the Museum is huge but the high footstep count is always worth it due to the jaw dropping aircraft exhibits and activities. Pupils created a short documentary about WW2 and were given the opportunity to clamber aboard Concorde. I'd like to thank all the staff who attended and to the pupils whose behaviour was generally exemplary - except for in the gift shop; the rare chance to purchase Spitfire shaped chocolate is always a cause for over-excitement.

Mr R Queensborough

Year 5 Hilltop Residential

We have a number of items of lost property from the Hilltop Residential visit, including waterproofs and sleeping bags.

Please collect your missing belongings from the Courtyard.

We will hold the lost property for one more week. Any remaining items will be disposed of.

Thank you.

The Friends of White Woman Lane School

Christmas Fair - Friday 29th November 3.15 – 5.00pm

From Friday 22nd November we will be collecting any items donated for the tombola and Christmas Jar stalls for the Friends of WWL Christmas Fair. As always in order for this event to be successful, we greatly depend on your help and support by sending in goods for our stalls, perhaps by baking a cake or two, helping to set up the stalls or helping on one of the stalls on the day ...

... and coming along to the Christmas Fair in the school hall on 29th November.

'Fill a Jar'.

Your child could help by 'filling a jar'. They will need a clean glass jar with a screw on top. The jar can be any size – the more varied the better! The idea is that the jars can be filled with anything they choose! A Christmas theme is not necessary – but might be nice! Our suggestions have been things such as sweets, bath salts, craft beads, small soaps or bath beads, hair bands, lego, Christmas decoration/s ... I'm sure you will have many, even better ideas. The children really enjoy this stall, thank you so much once again for your support. Start sending your filled jars into school from **Friday 22nd November.**

Cakes

Any cakes, buns, scones, cookies or biscuits whether homemade or shop bought

would be very gratefully received. Please ensure these are all nut free. Please send your contributions into school on the

morning of the **29th November**.

Books/games

Games and books in excellent condition please. Please send your donations into school from **Friday 22nd November**.

Smellies

Perfumes, bath oils, shower gel, soap, etc. Please send donations into school from **Friday 22nd November**.

Tombola donations

Any items that are in good condition and need a new home are gratefully received.

Bottle Tombola

Always a huge success – especially in time for Christmas!

Please send your donations into school from **Friday 22nd November**.

Teddies

Any teddies in good condition

There will be light refreshments available in The Café - tea, coffee, mulled wine and a mince pie for the adults, cakes and squash for children. A huge variety of stalls with things to buy and things to win! Great fun for all the family!

Can you:

- Bake a cake for the Fair
- Help set up the Christmas Fair on Friday 29th November (afternoon)
- Help run the stalls on Friday 29th November (3.00 – 5.00pm)

If you are able to help on the 29th November in any way please contact the school office. Thank you.

Your child has recently been given the latest Scholastic leaflet. It is packed full of books which would be great as reads.

Year 6 School Height & Weight Check – National Child Measurement Programme (NCMP)

Each year in England, school children in Reception and Year 6 have their height and weight checked at school as part of the National Child Measurement

Programme. Height and weight measurements are used to calculate weight status. The information gathered allows services to plan how to support families to lead healthy lives.

Your child's class will take part in this year's programme.

The checks are carried out by trained staff from the Healthy Child Programme. Children are measured fully clothed, except for their coats and shoes, in a private space away from other pupils.

Please see below on how to opt your child out of these checks.

Opting your child out of the National Child Measurement Programme

If you are happy for your child to be measured, you do not need to do anything.

If you **do not** wish your child's height and weight to be checked, please follow the steps below in the grey box. Children will not be made to take part if they do not want to.

If you wish to opt your child out of the National Child Measurement Programme (NCMP) please follow the steps below:

- Contact us by **23/12/19**-----*if you do not opt out by this date there is a chance your child may be seen*
- Call us on 0300 300 0123 or
- email: **CCS-TR.NCMPScreeningOptOut@nhs.net**
- Leave the following information:- child's full name o NHS Number (if known) o date of birth o current home address o school they attend o

check/test you're opting them out of o

It is very important that we receive all the above information when you are opting your child out.

We provide this service to help protect the health of your child as part of our public task as a health service provider. Your child's school has provided us with your contact details. We will update your child's electronic health record of the outcome of our screening programme.
